WELCOME TO CURRICULUM NIGHT!

Room 5 and 6 Grade 2/3

Dear Parent(s)/Guardian(s),

Attached is an outline of the program plan for our class this year. The program reflects Ministry of Education Ontario Curriculum guidelines for Grades 2 and 3, and school-based plans. You may wish to look at the guidelines from the Ministry of Education's website.

This plan is provided to help give you a clearer picture of the learning goals and expectations for your child. This information may also help you to plan family outings or to select appropriate books for your child.

Please note that these are general guidelines and changes may be made to best meet the needs, abilities, and interests of the students.

As the year develops, you are encouraged to discuss school studies regularly with your child. If you have any questions, comments, or concerns, please write a note, come in and see us, or call the school office at (416) 393-0670 to set up an appointment. We look forward to a wonderful year working with your child!

Sincerely,
Ms. Quan and Ms. Dubelaar
