

## CEDARBRAE COLLEGIATE INSTITUTE COURSE SELECTION 2024-2025 For Students Moving from Grade 10 to Grade 11

### MAKING CHOICES

Students moving from Grade 10 to Grade 11 must choose a total of 8 courses and 3 alternatives. **NOTE:** You must have earned 23 credits before a spare can be added to your timetable. You have 2 compulsory courses to select this year, 3 if you are a French Immersion or Extended French student. The remaining courses are electives chosen because of a specific post-secondary destination and/or because you enjoy that subject.

<b>English</b>	NBE3 <b>U</b> 1 or NBE3 <b>C</b> 1 or NBE3E1 or NBE3 <b>U</b> E (eLearning)
<b>Math</b>	MEL3E1, MBF3 <b>C</b> 1, MCF3 <b>M</b> 1 or MCR3 <b>U</b> 1
<b>French Immersion</b>	FIF3 <b>U</b> 5
<b>Extended French</b>	FEF3 <b>U</b> 4

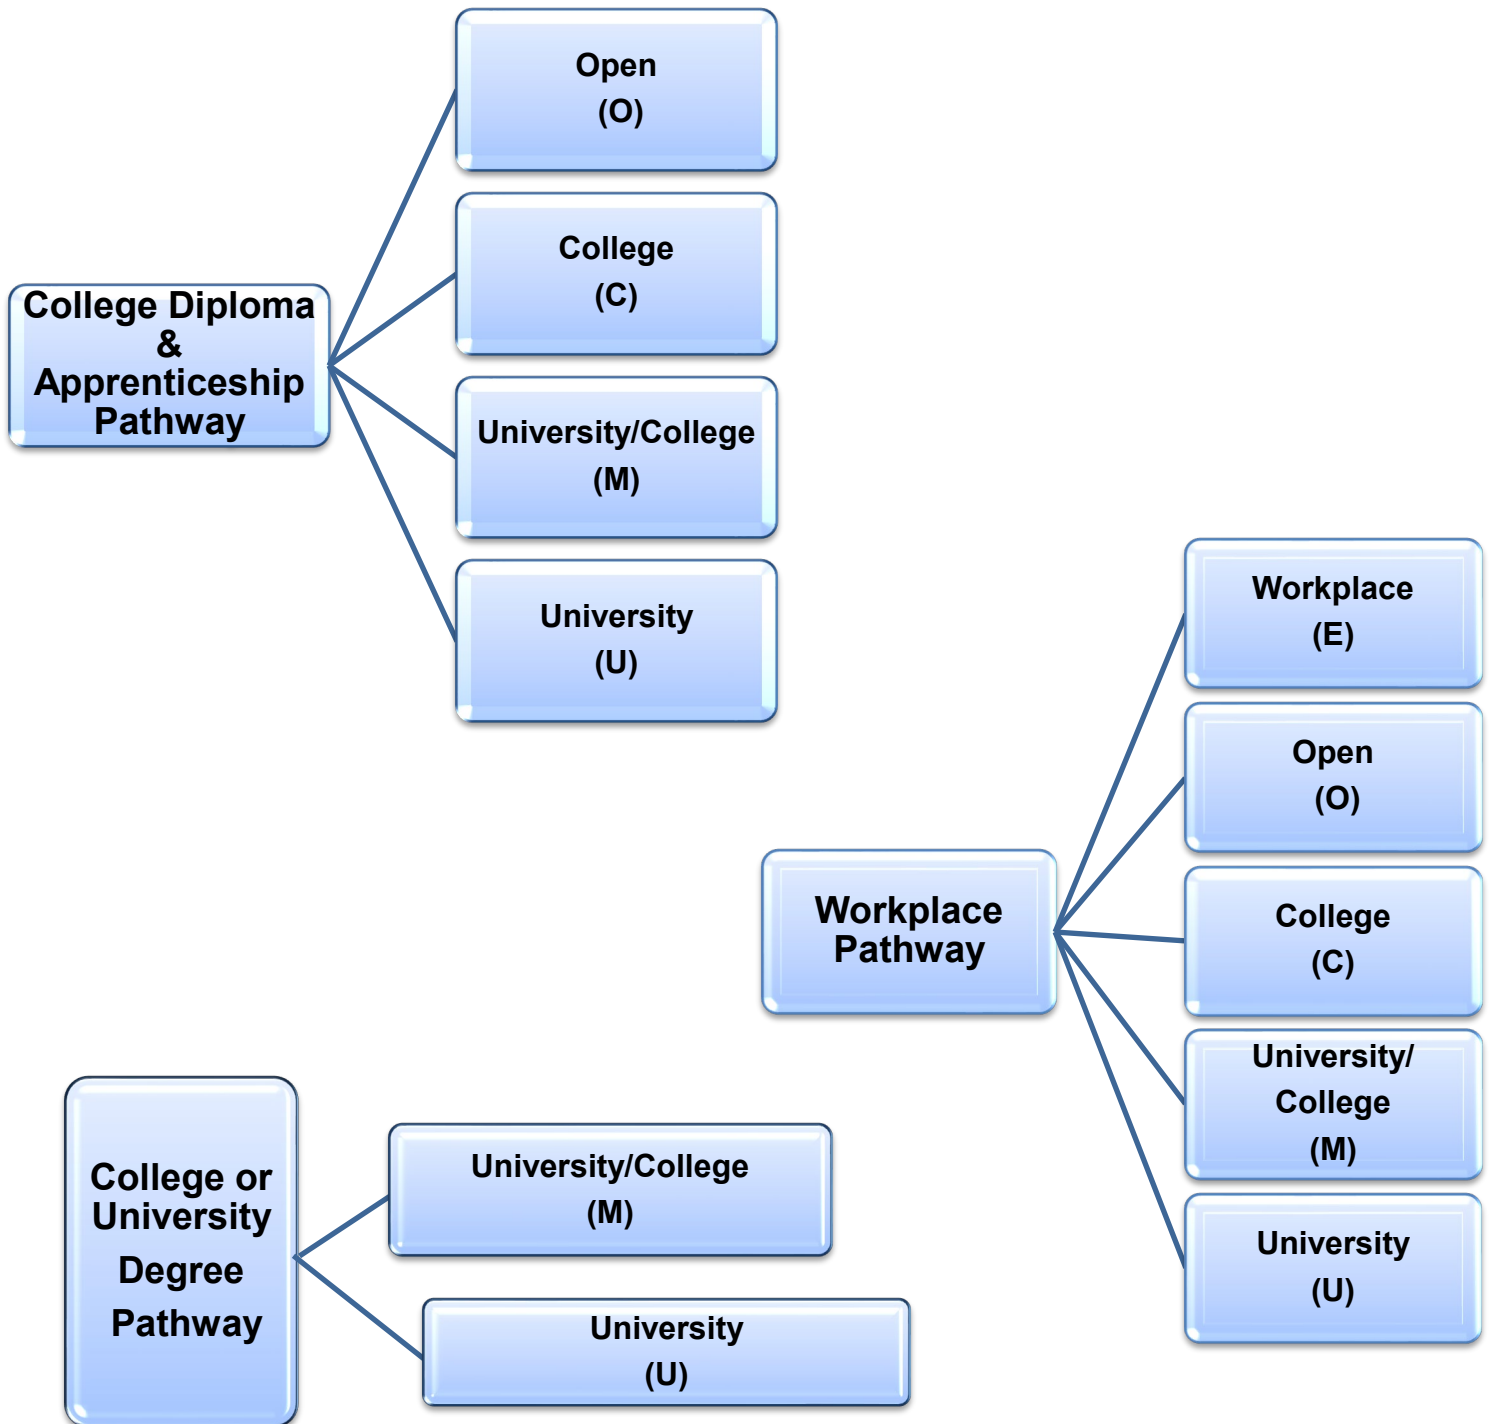

When choosing the codes for your compulsory courses keep in mind that the **5th and bolded** letter in each of the codes listed above indicates the **PATHWAY**, for which these courses are designed to prepare you, following high school. **U** - University, **M** - Mixed for both college and university, **C** - College, **E** - Workplace. Make sure you have the prerequisite for the courses you are choosing.

**If a student fails a grade 10 core course (English, Math, Science, History, Civics, Careers) then they need to put this into their timetable for next year. If they want to complete the course before September, they can sign up for summer school and when the student has passed summer school their timetable for next year will be changed (i.e., put in the appropriate grade 11 course)**

The remaining **elective/optional courses** should be made with the following in mind:

- Other diploma requirements (check your Student Status Sheet). Check to see if there are any other compulsory courses you are missing; for example group 1, or group 2 or group 3.
- Check that you have the prerequisites for the courses you are interested in.
- Educational or employment plans; many post-secondary programs have specific course requirements BEYOND the completion of a diploma

# Post-secondary Pathways – What Courses Can I Take?

Other course types (C or O) can be taken as part of the College or University Degree Pathway. However, these courses will not be counted as part of the grade 12 average required for College or University degree program acceptance. You will need 6 grade 12 U or M courses to apply to any degree program (including ENG4U1)
