Program Description

In-Person Learning: Students will learn onsite in a classroom with a teacher. Classes are offered at several TDSB locations. Visit www.creditprograms.ca for site details.

Remote Learning: Students will attend live, synchronous classes with a teacher daily online. Students are required to log in to Brightspace every day.

Please Note:

- In-person or remote, students will be with their teacher Monday through Friday, from 8:45 AM to 3:30 PM. **Attendance is MANDATORY.**
- Successful completion of this course counts towards the OSSD.
- Incoming Grade 8 TDSB students are **only** eligible to register for the [Reach Ahead TAS101 course](#).

The e-Summer Program is delivered asynchronously online. Each day, the teacher will conduct a live lesson for approximately one hour, which will be recorded and available for viewing afterward.

Please Note:

- A variety of grade 11 and 12 credit courses are available for secondary students under the age of 21
- Students are encouraged to attend the daily live lesson but may choose to access the recording at another time in the day.
- Students work independently during the remaining course hours, which is asynchronous.
- Students are encouraged to connect with their teacher for one-on-one conferencing for assistance throughout the course.
- Students are expected to log in to their Brightspace class every school day and should commit an average of six to seven hours per school day to their course.
- e-Summer courses count toward the OSSD and the mandatory Online Graduation requirement.
