<p>Special Presentation</p>	<p>Keith McDonald</p>	<p>- Presentation Specialist, Guest speaker and speaker coach with background in teaching and communications. -Cost: \$150-\$300 Evening session with students is 300 In classroom, pay what you can -Grade 6 is generally targeted age (1 hour sessions) -If the age is younger, Keith would need to rethink how the sessions would be set up (more music, etc.) -Learning outcome: give them insight on what happens online. -Check on defaults, how to not get hooked, children often make the changes online, and realize they are addicted. (YouTube), leaving a data foot print</p> <p><u>Discussion from council:</u> -Penny: TDSB presentation (for the parents) was really good, as it was free and really touched on the key concerns -Concerned that Keith might be too lighthearted and not serious enough -Concerned that we need to be discussing with the children before grade 6 -Is the message from Keith the same message that the parents want to portray? Maybe having both the parent and children sessions to ensure that the messages are cohesive -Hope: feels that Keith will work with the council to ensure that he is creating a presentation that works for us -Is the content of his presentation appropriate for our children? Finding the</p>	<p>-Mr. P will ask the grade 6 teachers to contact Keith -Survey for grade 6 children to gauge their questions -Sara will provide the name of a presenter that we used years ago (he was engaging) -Penny will provide the name of the TDSB presenter who was impactful in a prior presentation</p>

Principal's Report	Dan Puglielli	<p>Progress Reports: the first page will be written differently. It will be written in paragraph form and will have an element of personalization. It will also state what will be discussed at the interview. It is recommended that you bring your child to the interview. Come with questions</p> <p>EQAO follow up: School statistics show that the females score higher than the males. This doesn't coincide with the board and provincial statistics. This data tells us that our teachers might need to reconsider the specific content they are using within their classes.</p> <p>Teacher Job Action: What is the no board report? The teachers will strike in 17 days and most likely start with job action (work to rule)</p> <p>Acorn Fundraiser: 2-3 window to have orders returned for the holidays</p> <p>Milk Program: we have had concerns regarding milk being spoiled. The fridge space is not sufficient for a daily milk delivery. Mr. P suggests that we drop to 2 days per week rather than all 5 days.</p>	Mr P. will go to Stephanie and suggest 2 days per week and will also check if orders are significantly higher to line up with pizza orders
