Advanced Learning Strategies (Students with no IEP) - GLS401 <i>Students can take this course only once in grade 11 or 12.</i>

See reverse for SHSM course Information

Specialist High Skills Major (SHSM) Programs

SHSMs are comprised of sector-related courses, certifications, and experiential learning (co-op).
 You are able to indicate interest in a SHSM through myBlueprint, but please **see your guidance counsellor to register**.

Pre-Packaged SHSMs <i>These courses are packaged already.</i>	Build-Your-Own SHSMs You must choose at least 4 courses within the SHSM sector between grades 11 and 12. We advise taking at least 2 in grade 11.
Auto Service - TTA4C (4 Credits, includes Co-op)	Arts & Culture*
Carpentry Construction - TCC4E (4 credits, includes Co-op)	Information & Communication Technology*
Electrical Construction - TCE4E (4 Credits, includes Co-op)	Justice and Community Safety*
Plumbing Construction - TCP4E (4 Credits, includes Co-op)	Visit the Guidance office (room 205) to find SHSM Information sheets, which will help you to Build-Your-Own SHSM! Of course, you can always ask your guidance counsellor for help 😊
Hospitality: Restaurant Services - TFR4C (4 Credits, includes Co-op)	
Hospitality: Cosmetology - TXH4E (4 credits, includes Co-op)	

Experiential Learning (Co-op)

Afternoon Co-op - COPAM2 (2 Credits)	Full Day Co-op - COPFD1 (4 Credits)
--------------------------------------	-------------------------------------

Spare Periods

Students must have a minimum of 23 credits in order to take 1 spare, and 24 credits to take 2 spares

Semester 1 Spare - SPARE1	Semester 2 Spare - SPARE2
---------------------------	---------------------------

The Course Code's fifth character indicates the course type:

- C = College
- D = Academic
- E = Workplace
- M = College or University
- O = Open
- U = University
- W = Academic Pathways

Courses Requested:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

Alternate Courses:

1. _____
2. _____
