Quadmester 2 November 23

We hope you have had a good start to the school year. We are looking forward to Quadmester 2.

As we approach the end of Quadmester 1 we want to provide an update before moving into Quadmester 2. At this time many students have opted for virtual learning. However, since the TDSB virtual school is at capacity students who have opted for virtual learning in Quadmester 2 will be accommodated through Central Tech. Through this option students will continue to be offered many of the courses that they selected for this school year. The virtual model that will be used at Central Tech is simultaneous learning where

both virtual students and in-person students will have the same number of instructional minutes per class. Virtual students and in-person students will attend class together with teaching and learning happening simultaneously for all students. Simultaneous learning supports students virtually where all students are part of the classroom community. Unfortunately not all courses will be offered virtually and students will be contacted to change their timetables to accommodate a virtual learning timetable.

Starting November 23rd students will have

to sign in for their asynchronous period. Students will have to complete a google doc to notify the teacher that they are present for the asynchronous period. Teachers will be posting the google form for students to complete by 8:45 am each day. Students that do not sign in will be marked absent and an automated call will go home to notify parents/guardians.

Quadmester 2 Timetables and Report Cards

Guidance counsellors have been working with students to make sure that all students have complete timetables moving forward for the remaining 3 quads. All student timetables will be delivered by SIS to students and parents /

guardians via School Messenger and the School Connects App. Timetables will be sent starting on November 19, 2020.

Report Cards for Quadmester 1 will be distributed to students

and parents/guardians via email by SIS for all students. Report Cards will be emailed to students and parents/guardians the week of November 30, 2020.

Special points of interest:

- *The safety of students and staff is paramount. The school has put in place all required protocols to ensure the safety of all.*
- *Students are required to wear non-medical face masks indoors on school property to reduce the spread of their own respiratory droplets to protect others.*
- *School Council Meeting for December will be held virtually on Thursday December 17, 2020 at 6:00 pm.*
