We are working hard to prepare your timetables and teacher assignments in anticipation of your return. This is a complicated process under normal circumstances made even more so by the reorganization that has had to happen over the last few days. That said, **we hope to have your timetables ready for you by 2 PM on Wednesday, September 16th.**

You will then receive an email from your teachers indicating your Quad 1 courses, your cohort, which day you will start at Winston Churchill, classroom numbers. The email will also include other instructions regarding COVID-19 Safety Protocol as well as the daily schedule. Please read carefully.

Please note families who chose remote learning will receive information from the Virtual School.

In the meantime, please start reviewing health and safety protocols for our students. We must adhere to all of the protocols in the school. Please visit the TDSB website for information and watch the following video:
