## Message from the Office

Hello Parents and Guardians,  
March is a busy month at CHPS!  
We're excited for events like  
Scientists in Schools, Graduation  
photo day, and UNITY Gym visiting CHPS to lead  
fun mental health and physical education  
activities.

As a reminder, please help keep arrival and  
dismissal safe by using designated areas and  
following staff directions.

With March Break approaching (please check  
the school calendar), ensure your child is dressed  
warmly each day in a coat, hat, mittens, and  
boots. We appreciate your continued support.

CHPS

## Crosswalk Safety

We have a new crosswalk on Brimorton Drive by  
the Meadoway; however, there is no crossing  
guard there. If you choose to cross there, please  
remember to push the walk signal to activate the  
flashing lights. Wait until all the cars have  
stopped on both sides before crossing. Always  
keep your eyes and ears open.

Drivers, please do not perform U-turns  
in front of the school at any time.

## Ramadan Mubarak

Ramadan is the ninth and holiest month of the Islamic calendar, observed by Muslims worldwide with fasting from dawn to sunset to foster spiritual discipline, gratitude, and charity.

It marks when the Quran was first revealed to Prophet Muhammad. The month focuses on prayer, community, and nightly feasts called *iftar*, concluding with the celebration of Eid al-Fitr.

Ramadan is a time for renewing faith, strengthening community bonds, and developing empathy for the less fortunate.

## Greek Heritage Month

The Toronto District School Board (TDSB) is proud to recognize Greek Heritage Month (GHM) during the month of March. This heritage is also celebrated across the Province of Ontario since 2019 with the implementation of the Hellenic Heritage Month Act, 2019. This Act reads, in part:

"March is a significant month for the Hellenic community and March 25 is celebrated each year as Greek Independence Day. Proclaiming March as Hellenic Heritage Month provides an opportunity to remember, celebrate and

educate future generations about the outstanding achievements and contributions of the Hellenic Canadians in the province."

## Mother Language Day

Celebrating international mother language day: International Mother Language Day is observed every year on February 21 to promote linguistic and cultural diversity worldwide. The date remembers February 21, 1952, when four young students in Dhaka, Bangladesh lost their lives advocating for the recognition of the Bengali language. Their sacrifice reminds us that language is deeply connected to identity, culture, and human rights.

Speaking our mother tongue is important because it connects us to our roots, strengthens family bonds, supports learning, and preserves culture and traditions. When children feel proud of their language, they feel valued, confident, and respected.

## School Eco Team

The Eco Team has had an incredible year inspiring our school community to care for the environment. Over the past year, the team has put on several engaging and creative skits, each designed to teach students about the importance of recycling, reducing waste, and protecting nature. From the recycling skit performances to the Grandfather Teachings, the presentations were not only fun and memorable but also carried meaningful messages about teamwork, responsibility, and environmental sustainability. These performances allowed students to see firsthand how small actions like sorting trash properly or reusing materials can make a big difference. The Eco Team's work represents the school's commitment to fostering environmental awareness, encouraging students to become proactive, thoughtful citizens, and showing that learning about eco-friendly habits can be the best of both worlds, both educational and entertaining.
