**(Use with Destination Information & Subject Flow Charts)**

My post secondary goals are:

Plan your pathway to graduation. Some courses may not be available every quad. Optional courses may vary from quad to quad. How do you get the courses needed for the particular post-secondary program that you are interested in? Plan your courses ahead of time! Also check post-secondary view books, [ontariouniversitiesinfo.ca](http://ontariouniversitiesinfo.ca) (formerly eINFO), [ontariocolleges.ca](http://ontariocolleges.ca) or [myBlueprint.ca/tdsb](http://myBlueprint.ca/tdsb) for specific prerequisites.

Prerequisites (subjects I need) for the program I want to apply to are:

School Year:

Quad:	Quad:	Quad:	Quad:
1.	1.	1.	1.
2.	2.	2.	2.
3.	3.	3.	3.

Are you planning to earn additional credits in addition to Adult Day School Courses at the City Adult Learning Centre?
