December 13, 2020

Dear Students,

I wanted to share an important update with regard to COVID-19 at City Adult Learning Centre and CALC Secondary School. Toronto Public Health (TPH), which has been investigating the cases at our schools, is now advising that all students and staff be dismissed from the school to allow more time to continue their investigation.

As a result, **the school will be closed to students and staff starting tomorrow, Monday, December 14 up to and including Friday, December 18.** As the following two weeks are the winter break, **the school will not be reopening until Monday, January 4, 2021.**

Please read the following message from [Toronto Public Health](#). (attached)

While students are at home, we will be shifting all classes to remote learning. Your teacher will be contacting you shortly to provide more information.

I know this news will be concerning and I want to thank you for your understanding during this difficult time. As always, should you have any questions, please let me know.

Sincerely,

Cynthia Nguyen

Principal
