## Clinton Cougar Chronicle Vol. 29

April 5, 2024

Dear Clinton Community:

Below you will see the 2024 / 25 classroom organizational model for Clinton Street PS. As you will see, the model illustrates the number of classes our school will have next year and the grade configurations for each class. Once the model is approved, we will move into the next phase of school organization. The numbers of students for our specialized programs (One Learning Disability class, Three Developmental Delayed classes, and Four Gifted classes) will be finalized in the coming weeks so they are not included below. Also, in the first Kindergarten class listed there is no Designated Early Childhood Educator assigned so we can only have a maximum of 15 students. All these student numbers are tentative and subject to change. We are projected to have 316 students in total.

### 2024/25 Tentative Classroom Organizational Model
