Clinton Cougar Chronicle Vol. 34

May 10, 2024

Dear Clinton Community:

Given the volume of impressive school events this week (Bike Rodeo, Art Night, Gifted Open House, Ongoing Practices and Try-Outs) the Chronicle editorial team thought that providing a list of upcoming Clinton activities for the month of May might be helpful for all Cougar families.

Please keep in mind that the list keeps growing and we encourage everyone to continue checking our school's google calendar on our school's website for the most updated list. We also have yet to finalize our EQAO dates for grade 3's and 6's and we will let you know when that happens.

Here is the rest of May at Clinton -- At a Glance:

- Monday, May 13 – Dance workshop and grad photo update
- Tuesday, May 14 – Run, Jump, Throw morning for primary students
- Wednesday, May 15 -- Bike to School at 8:00 a.m.

Of course, this is also an extremely important academic part of the school calendar, and we appreciate all that you do to ensure that your children are fully prepared for the school day.

We wish you all a wonderful spring weekend.
