## 2022/23 Clinton Cougar Chronicle Vol. 17

### First Anniversary Edition!

January 11, 2023

Happy New Year to the Clinton community. We hope that you and your families were able to have a great winter break, enjoy the change in routine, and take some time to rest and relax. There have been a lot of excited voices in the school's hallways this week as the students were happy to see one another once again and talk about activities that transpired during their time away. It has been a very positive start to the new calendar year at Clinton.

January 2023 also marks the first anniversary for the editorial team at the Clinton Cougar Chronicle. We have appreciated the feedback we have received from so many of you, and we will endeavour to maintain our high degree of journalistic integrity as we enter our second year.

In the past 12 months, the Chronicle reporters have certainly been busy as they covered stories such as: changing covid protocols, switching between virtual and in-school learning, revamping the school's website, unveiling the new school logos and spirit wear, the installation of the school's new roof, the Leafs unable to close it out in games 6 and 7, an in-person graduation, staffing changes, the ribbon-cutting for the new electronic fob key entrance system, various spirit days, the Jays unable to hold onto a 7 run lead in their final playoff game, our ever-expanding co-curricular schedule, and the return of both the pizza lunch and the Grade 6 Friday off-site lunch schedule. Indeed, it has been a full year and we would particularly like to thank the Clinton Street School Council for the multiple events and activities they have supported as well as the organizational team at Artsmart. At Clinton Street, we continue to place emphasis on the TDSB's priorities of engagement, equity, and joy. We look forward to keeping the pages of the Chronicle full of exciting updates in 2023.

In connection to the school's co-curriculars, on page two you will find a list of the co—curriculars being offered at Clinton during the winter of 2023. Of course, this list is subject to change and might still contain more additions. We will keep you updated of any alterations and ensure that the information is also on our website and calendar.

On the topic of staffing changes, Clinton Street's French as a Second Language teacher, Mr. Shane Rucker, is on leave and we are pleased to welcome Mr. Jacques Luxamar to the Clinton staff as an occasional teacher. Mr Luxamar has been teaching at Clinton for a couple of weeks now and has already made a strong connection with students and staff. Mr. Luxamar has agreed to stay at Clinton for the duration of Mr. Rucker's leave.

Please go to [www.clintonstreetschool.ca](http://www.clintonstreetschool.ca) for all your Clinton Street school information.

Dan Taylor

Principal
