Twitter page.

Our Theme This Year

As we **return** may we all **rediscover** the wonders of our school and the magic of curiosity and learning. As we **reconnect**, may we find that which brings us comfort - friendships, laughter, belonging and community.

return • rediscover
reconnect
Corvette 21-22

retourner • redécouvrir
se retrouver
Corvette 21-22

Appreciation

A great big thank you to our student leaders in Grades 3 - 6 who have stepped up to be part of our school's Corvette TV (CTV). Students will be the voice and face of our daily morning announcements which are held virtually.

Our focus is always time on task, and by allowing classroom schedules to dictate the morning exercises makes it more efficient for each classroom some who begin with silent reading or focussed writing and some beginning with community circles. In this way, our morning announcements flow with the class.

Upcoming Events

Sep 19 - Terry Fox T-Shirt Order Forms (sent by email)

Sep 20 - First Day of Nutrition Program

Sep 20 - Gr 5 Roll out of School Technology

Sep 21 - Guided Fire Drill

**KEEP YOUR
DISTANCE**

TDSB Student Health Pass

COVID-19 Screening for children/students

Please complete before entering the child care/JK-12 school setting.

Updated Sept. 1, 2021

1. Does the child/student have any of the following new or worsening symptoms?***

Fever > 37.8°C
and/or chills

Cough

Difficulty breathing

Decrease or loss of
taste/smell

Nausea, vomiting
or diarrhea

• If the child/student has a health condition diagnosed by a health care provider that gives them the symptom, select "No". If the symptom is new, different or getting worse, select "Yes".

If "YES" to
any symptom:

Stay home
& self-isolate

Get
tested

Or

Contact a health
care provider

One of the most important things we can do to slow the spread of COVID-19 in our schools, is for [students](#) to screen themselves daily for any symptoms of COVID-19 and also follow the circumstances in which they should stay home.

Students and families will need to screen themselves each morning.

Parents should sign their child's [TDSB Student Health Pass](#) **daily** before arriving at school. **Their child will need to present this to their teacher each morning.**

For more information, please contact your health care provider or Telehealth Ontario at [1 866-797-0000](tel:18667970000).

2. Does anyone in your household have one or more symptoms of COVID-19 and/or are waiting for test results after having symptoms?

- If the child/student is fully vaccinated* or has tested positive for COVID-19 in the last 90 days and been cleared, select "No".

Yes

No

3. In the last 10 days, has the child/student tested positive on a rapid antigen test or a home-based self-testing kit?

- If they have since tested negative on a lab-based PCR test, select "No".

Yes

No

4. Has the child/student been notified as a close contact of someone with COVID-19 or been told to stay home and self-isolate?

- If the child/student is fully vaccinated* or has tested positive for COVID-19 in the last 90 days and been cleared or public health has said the child/student does not have to self-isolate, select "No".

Yes

No

5. In the last 14 days, has the child/student travelled outside of Canada AND been advised to quarantine per the [federal quarantine requirements](#)?

Yes

No

If "YES" to questions 2,3,4 or 5:

Stay home & self-isolate

Follow public health advice

* Fully vaccinated means 14 days or more after getting a second dose of a two dose COVID-19 vaccine series or one dose of a single dose series.

**Anyone who is sick or has any symptoms of illness should stay home and seek assessment from their health care provider if needed.

This revised Toronto Public Health screening does take into account COVID vaccine status of students (aged 12+).

This revised Toronto Public Health screening does indicate that if family members experience one or more of COVID-19 symptoms then the student should also stay home, and self isolate.

Together we can help our community, school, students and staff be safe and healthy!

We can do this together!

TDSB Student Health Pass

Corvette students will receive a copy of the TDSB Student Health Pass and Screening Questionnaire on the first day of school.

Please go through the student health pass with your child daily, sign it and send it with your child to school.

Your child will present this signed portion to their teacher each morning before entry to school.

TDSB Student Health Pass

The most important thing families can do to help slow the spread of COVID-19, is to screen their children daily for any COVID-19 symptoms and keep them home from school if they are sick or have had close contact with anyone diagnosed with COVID-19.

Review this COVID-19 checklist daily with your child. Sign* below each day to confirm that your child or anyone else in the household does not have any symptoms or have other exposure to COVID-19. We all have a role in keeping our schools safe and healthy.

** Parent/Guardian of Kindergarten to Grade 8 students to sign. High school and adult students can sign themselves.*

Signage Inside the School

To ensure physical distancing, we are going to be following the “right hand” expectation. Whether we are walking down the hallway or up / down the staircase, we will also do so from the right side giving those heading the opposite direction their space.

School News

School Bus

Students in French Immersion and some students in our English stream program have access to the school bus. This has been communicated to all affected families by Ms. Pegg.

If you no longer need to the school bus, please contact Ms. Pegg to have your child removed from the school bus manifest.

Orange Shirt Day - September 30, 2021

We invite all students and staff to wear anything orange on **Thursday, September 30** as we all continue to learn about the impacts of residential schools.

Together, let us remember the importance of individual identity, inclusion, fairness, understanding, friendships the many young who never returned home.

Orange Shirt Day

Hosta

As the summer heat begins to give way to the Autumn chill, we are reminded that now may be the time to divide some of your shade loving perennials.

If you have hostas in your garden that you are planning on dividing, please consider donating some to the school.

Outdoor Recess

Please send your children dressed for the weather.

Other than a downpour, all Corvette students will be going outside for two recesses each day. Each recess will be 40 minutes in length!

The Weather Network is forecasting rain on Monday to Wednesday. Please remind your children to dress appropriately for the weather (e.g., change of shoes, change of socks, rain coat, umbrella, etc.)

Guided Fire Drill

On Tuesday, September 21 we will be holding our first of three Fall fire drill. The first one will be “guided” in so far as Ms. Pegg and I will be on the PA system giving direct instructions about how we will vacate the school building in a safe manner.

Please take time to talk to your children, especially the youngest learners, about what to expect on Tuesday afternoon. We will do the same at school.

Please take this time to also consider creating a home fire evacuation plan.
