# Our Theme This Year

As we **return** may we all **rediscover** the wonders of our school and the magic of curiosity and learning. As we **reconnect**, may we find that which brings us comfort - friendships, laughter, belonging and community.

# Rapid Antigen Kits @ Corvette

Corvette Jr PS has Rapid Antigen Kits available to families and students at school. **If you would like to receive kits for home use, please do not hesitate to contact the main office.**

Many online instructions are suggesting that the user swab:

- The tonsil area,
- Inside the cheek (avoiding the teeth)
- Both nostrils (as per the instruction package)

to increase the likelihood of getting a more accurate result.

# School Improvement Planning

Goals set by the school in partnership with families and the community focus on these 3 main areas:

## Achievement, Well-being and Equity

Click on the image to play the video or this link: <https://youtu.be/fhFoBS-yNZs>

# What are School Improvement Plans (SIP)?

A school improvement plan is a road map that sets out the changes a school needs to make to improve the level of student achievement, and shows how and when these changes will be made.

School improvement plans are selective: they help principals, teachers, and school councils answer the questions “What will we focus on now?” and “What will we leave until later?”

In the TDSB, SIPs focus on four areas:

- Equity
- Well-Being
- Achievement
- Indigenous Education

# What are School Improvement Plans (SIP)?

Over the next couple of weeks, we will be sharing with you Corvette's journey this school year. At the same time, we will continue to listen to families, staff and students about how we can continue to improve our school, teaching and learning for 2022/2023.

We hope you will be able to join us in discussing our goals moving forward.

Please stay tuned for more opportunities to connect with the school.
