We Acknowledge

"We acknowledge we are hosted on the lands of the Mississaugas of the Anishinaabe, the Haudenosaunee Confederacy and the Wendat. We also recognize the enduring presence of all First Nations, Métis and the Inuit peoples"

"Nous reconnaissons que nous sommes accueillis sur les terres des Mississaugas des Anichinabés, de la Confédération Haudenosaunee et du Wendat. Nous voulons également reconnaître la pérennité de la présence des Premières Nations, des Métis et des Inuit."

NATIONAL INDIGENOUS HISTORY MONTH

In June, honour National Indigenous Education Month with the Urban Indigenous Education Centre.

Celebrate the diverse cultures of the First Nations, Métis, and Inuit.

Enjoy Indigenous stories, literature, art and music. Learn from Indigenous perspectives and experiences.

Our Theme This Year

As we **return** may we all **rediscover** the wonders of our school and the magic of curiosity and learning. As we **reconnect**, may we find that which brings us comfort - friendships, laughter, belonging and community.

Corvette Jr PS Uniform Exchange

Is your child a Grade 6 student? Are you transferring to a different school next year? Do you have gently used uniforms at home?

If so, please consider donating it to Corvette Jr PS to our Uniform Exchange.

Please connect with the Office if you would like to donate your child's gently used uniform.

Announced Fire Drill - Tuesday, May 31 2022

We will be holding an announced fire drill on **Tuesday, May 31, 2022.**

This Fire Drill will take place at 2:30 PM right in the middle of when students would typically be moving from recess back to class or when teachers are transitioning from one lesson to another.

As we know, fire emergencies do not necessarily take place in appointed times. This announced fire drill will give the school an opportunity to guide the students through the expected behaviour for safety and efficiency.

The next two Fire Drills will be unannounced.

Friday, June 3, 2022 is a PA Day

Friday, June 3, 2022 is a PA Day for elementary schools throughout the TDSB. The school will be closed. Classes will not be held on this day.

School Improvement Planning

Goals set by the school in partnership with families and the community focus on these 3 main areas:

Achievement, Well-being and Equity

What are School Improvement Plans (SIP)?

Over the next couple of weeks, we will be sharing with you Corvette's journey this school year. At the same time, we will continue to listen to families, staff and students about how we can continue to improve our school, teaching and learning for 2022/2023.

We hope you will be able to join us in discussing our goals moving forward.

Please stay tuned for more opportunities to connect with the school.

Corvette's Actions Plans for School Improvement

WHAT DOES THIS LOOK LIKE?

Equity and Inclusion

- How do we, as educators, continue to learn to ensure that our practices are equitable and inclusive?
 - What do we need to change in our practice so that all students can succeed and continue to work towards their full potential?
 - How can we ensure that all of our decisions center students, especially students who are in the margins?
- 

Corvette's Actions Plans for School Improvement

WHAT DOES THIS LOOK LIKE?

Student Leadership

- All students should have an opportunity to practice and develop leadership skills in their classroom and throughout the school
 - Classroom teachers and teacher leaders will develop opportunities for students to demonstrate leadership in different capacities
 - Students will be given an opportunity to lead with teachers in different school committees
- 

Student Leadership and Clubs @ Corvette (21/22)

- Corvette TV Announcers
- Door Monitors
- Library Helpers

- ECO Club
- Gardening Club
- Student Leadership Council

Corvette's Actions Plans for School Improvement

WHAT DOES THIS LOOK LIKE?

Let's talk (about) Math

- Understanding number facts and how number works together is crucial to **doing** the Math
- Understanding the concepts of why we do the Math in a specific manner is as crucial, if not more!
- A strong understanding of mathematical concepts gives students an opportunity to extend their thinking and apply the concepts to real life experiences

If this image represents the quantity of 5,

what does this image represent? How many dots are there? How do you know?

Is 3 groups of 4 the same as 4 groups of 3? Why or why not?

Corvette's Actions Plans for School Improvement

Small group instruction to support students' immediate needs!

WHAT DOES THIS LOOK LIKE?

- Small groups of 4 - 5 students - students grouped by student reading interest, by reading level, a reading need (e.g., need to practice endings like 'ed', 'tion', etc., specific sounds (e.g., 'oi,' 'ea,' or 'ch')
 - Small groups of 4 - 5 students working on a word problem together with an adult
- 

What are School Improvement Plans (SIP)?

A school improvement plan is a road map that sets out the changes a school needs to make to improve the level of student achievement, and shows how and when these changes will be made.

School improvement plans are selective: they help principals, teachers, and school councils answer the questions “What will we focus on now?” and “What will we leave until later?”

In the TDSB, SIPs focus on four areas:

- Equity
- Well-Being
- Achievement
- Indigenous Education
