Our Theme This Year

As we **return** may we all **rediscover** the wonders of our school and the magic of curiosity and learning. As we **reconnect**, may we find that which brings us comfort - friendships, laughter, belonging and community.

We Acknowledge

"We acknowledge we are hosted on the lands of the Mississaugas of the Anishinaabe, the Haudenosaunee Confederacy and the Wendat. We also recognize the enduring presence of all First Nations, Métis and the Inuit peoples"

"Nous reconnaissons que nous sommes accueillis sur les terres des Mississaugas des Anichinabés, de la Confédération Haudenosaunee et du Wendat. Nous voulons également reconnaître la pérennité de la présence des Premières Nations, des Métis et des Inuit."

NATIONAL INDIGENOUS HISTORY MONTH

In June, honour National Indigenous Education Month with the Urban Indigenous Education Centre.

Celebrate the diverse cultures of the First Nations, Métis, and Inuit.

Enjoy Indigenous stories, literature, art and music. Learn from Indigenous perspectives and experiences.

School Improvement Planning

What are School Improvement Plans (SIP)?

A school improvement plan is a road map that sets out the changes a school needs to make to improve the level of student achievement, and shows how and when these changes will be made.

School improvement plans are selective: they help principals, teachers, and school councils answer the questions “What will we focus on now?” and “What will we leave until later?”

In the TDSB, SIPs focus on four areas:

- Equity
- Well-Being
- Achievement
- Indigenous Education

Goals set by the school in partnership with families and the community focus on these 3 main areas:

Achievement, Well-being and Equity

Corvette's Actions Plans for School Improvement

WHAT DOES THIS LOOK LIKE?

Equity and Inclusion

- How do we, as educators, continue to learn to ensure that our practices are equitable and inclusive?
 - What do we need to change in our practice so that all students can succeed and continue to work towards their full potential?
 - How can we ensure that all of our decisions center students, especially students who are in the margins?
- 

Corvette's Actions Plans for School Improvement

WHAT DOES THIS LOOK LIKE?

Student Leadership

- All students should have an opportunity to practice and develop leadership skills in their classroom and throughout the school
- Classroom teachers and teacher leaders will develop opportunities for students to demonstrate leadership in different capacities
- Students will be given an opportunity to lead with teachers in different school committees

Corvette's Actions Plans for School Improvement

WHAT DOES THIS LOOK LIKE?

Let's talk (about) Math

- Understanding number facts and how number works together is crucial to **doing** the Math
- Understanding the concepts of why we do the Math in a specific manner is as crucial, if not more!
- A strong understanding of mathematical concepts gives students an opportunity to extend their thinking and apply the concepts to real life experiences

Corvette's Actions Plans for School Improvement

Small group instruction to support students' immediate needs!

WHAT DOES THIS LOOK LIKE?

- Small groups of 4 - 5 students - students grouped by student reading interest, by reading level, a reading need (e.g., need to practice endings like 'ed', 'tion', etc., specific sounds (e.g., 'oi,' 'ea,' or 'ch')
- Small groups of 4 - 5 students working on a word problem together with an adult
