Our Theme This Year

As we **return** may we all **rediscover** the wonders of our school and the magic of curiosity and learning. As we **reconnect**, may we find that which brings us comfort - friendships, laughter, belonging and community.

Halloween @ Corvette

Halloween @ Corvette

This year Halloween celebrations will be held on **Friday, October 29, 2021!** Each classroom will plan their own activities and teachers will communicate with families as the day draws near. **Students can wear costumes on Friday should they and families wish to do so.**

Mr. Cabrera will be dressing up as a character from the book “Where’s Waldo?” Students who do not wish to wear a Halloween costume but would like to dress up can wear a red shirt and come to the office to get white tape and dress up like Waldo as well! We will take a group photo of the “Waldos” in the school.

Students wishing not to wear a costume or dress up like Waldo can show school pride by wearing the Corvette swag (uniform) or the school colours of navy blue and grey.

Halloween @ Corvette

COSTUMES

Students choosing to wear costumes are reminded of the TDSB Dress policy and that:

- costumes should not send or include offensive, violent, or discriminatory messages;
- for safety purposes, Halloween masks **are not** to be worn in the classrooms, hallway, washrooms, or recess; and,
- violent costumes and their accessories are not to be worn or brought to school (e.g., knives, swords, light sabers, etc.).

For the purposes of health and safety, PPEs, such as face coverings, must still need be worn.

CANDY

- To ensure the safety of all, and following our school practice, students are asked **not to share** any candies with other students (or with the Principal and Vice Principal for that matter!)
- As Corvette is a **Nut Aware and Allergy Aware school**, families are asked to ensure individual treats for private consumption **do not contain nuts or tree nuts (e.g., Reese' Peanut Butter Cups, O'Henry, chocolate covered almonds, etc)**

TDSB Student Health Pass - Updated October 5, 2021

Updated October 5, 2021

Name: _____ Date: _____ Time: _____

1. Does the child/student have any of the following new or worsening symptoms?

Fever > 37.8°C and/or chills

Yes No

Cough

Yes No

Difficulty breathing

Yes No

Decrease or loss of taste/smell

Yes No

Nausea, vomiting or diarrhea

Yes No

• If the child/student has a health condition diagnosed by a health care provider that gives them the symptom, select "No". If the symptom is new, different or getting worse, select "Yes".

• Anyone who is sick or has any symptoms of illness, including those not listed above, should stay home and seek assessment from their health care provider if needed.

If "YES" to any symptom:

Stay home & self-isolate

Get tested with a PCR test

Or

Contact a health care provider

Please note the addition of: "Anyone who is sick or has any symptoms of illness, including those not listed above, should stay home and seek assessment from their health care provider if needed."

One of the most important things we can do to slow the spread of COVID-19 in our schools, is for [students](#) to screen themselves daily for any symptoms of COVID-19 and also follow the circumstances in which they should stay home.

Students and families will need to screen themselves each morning.

Parents should sign their child's [TDSB Student Health Pass](#) **daily** before arriving at school. **Their child will need to present this to their teacher each morning.**

For more information, please contact your health care provider or Telehealth Ontario at [1 866-797-0000](tel:18667970000).

2. Does anyone in your household have one or more COVID-19 symptoms and/or are waiting for test results after experiencing symptoms? Yes
No
• If the child/student is fully vaccinated* or has tested positive for COVID-19 in the last 90 days and been cleared, select "No".
3. In the last 10 days, has the child/student tested positive on a rapid antigen test or a home-based self-testing kit? Yes
No
• If they have since tested negative on a lab-based PCR test, select "No".
4. Has the child/student been notified as a close contact of someone with COVID-19 or been told to stay home and self-isolate? Yes
No
• If the child/student is fully vaccinated* or has tested positive for COVID-19 in the last 90 days and been cleared or public health has said the child/student does not have to self-isolate, select "No".
5. In the last 14 days has the child/student travelled outside of Canada AND been advised to quarantine per the [federal quarantine requirements](#) OR was told not to attend school/child care? Yes
No

Please note addition of: If the student has travelled outside of Canada in the last 14 days and was told not to attend school, then the student(s) should stay home.

This revised Toronto Public Health screening does take into account COVID vaccine status of students (aged 12+).

This revised Toronto Public Health screening does indicate that if **anyone in their household is experiencing one or more of COVID-19 symptoms or are waiting for COVID test results** then the student should stay home, and self isolate.

Together we can help our community, school, students and staff be safe and healthy!
We can do this together!

TDSB Student Health Pass

Corvette students will receive a copy of the TDSB Student Health Pass and Screening Questionnaire on the first day of school.

Please go through the student health pass with your child daily, sign it and send it with your child to school.

Your child will present this signed portion to their teacher each morning before entry to school.

TDSB Student Health Pass

The most important thing families can do to help slow the spread of COVID-19, is to screen their children daily for any COVID-19 symptoms and keep them home from school if they are sick or have had close contact with anyone diagnosed with COVID-19.

Review this COVID-19 checklist daily with your child. Sign* below each day to confirm that your child or anyone else in the household does not have any symptoms or have other exposure to COVID-19. We all have a role in keeping our schools safe and healthy.

Student Name : _____

Date: _____ Signature: _____ Date: _____ Signature: _____

** Parent/Guardian of Kindergarten to Grade 8 students to sign. High school and adult students can sign themselves.*

Outdoor Recess

Please send your children dressed for the weather.

Other than a downpour, all Corvette students will be going outside for two recesses each day. Each recess will be 40 minutes in length!

The Weather Network is forecasting rain on Monday. Please remind your children to dress appropriately for the weather (e.g., change of shoes, change of socks, rain coat, umbrella, etc.)

Nut and Allergy Aware School

Corvette Jr PS is a Nut and Allergy Aware School!

We are aware that nuts, tree nuts and other allergens (e.g., seafood, sesame, etc.) causes severe allergic reactions to some of our friends at school!

To promote everyone's health and safety, we ask families not to send any food items that contain nuts or tree nuts.

Sharing food items is also prohibited as many may not know their friends' allergies.

Grab and Go Breakfast

Beginning November 1st, we are going to pilot a return to Breakfast Club with a grab and go feature!

Students who register for breakfast club can come to Door 7 (9:05 AM - 9:18 AM) to grab breakfast. Items will change everyday but may include yogurt, milk, granola bar, muffin, bagel or a fruit.

Forms have been sent home to interested students on Friday. If you would like a form, please speak with your child's teacher to get one.
