## April 27th, 2020

Good afternoon everyone,

As we enter into our 5th week of remote learning, we hope that you and your families are staying safe. We all miss you and hope to see you soon. Here are a few updates for this week:

### School Twitter Account

Please follow the Corvette Twitter account and see photos, receive information, and more from the school.

@TDSB\_Corvette

### School Website Address

<http://schoolweb.tdsb.on.ca/corvette>

### TDSB Devices:

Devices are constantly being sent out from the TDSB to student homes. Teachers are receiving information from Ms. Brown and Mrs. Pegg regarding the progress of those devices. Teachers will be sending tracking information as they receive it to families. The devices are being shipped by Purolator and someone will need to be home to receive the device. Purolator will contact the family to let you know 24 hours before the device will be sent to homes. If you have any questions, please contact your child's teacher.

### School Closure Extension:

The Ministry of Education announced on Sunday that Ontario Public schools will be closed until May 31st. Please keep checking your emails and listening to the news for the most up-to-date information regarding school closure.

### Remote Learning at Corvette:

All of the teachers have set up online learning platforms. If you are having trouble accessing these platforms, please email your child's teachers directly and they will help you. Also, if you have any questions or concerns about your child's learning, please continue to connect with the teachers and ECE's that work with your child.

You may also wish to follow our school on **TWITTER @TDSB\_Corvette** to receive updates, additional links to free resources, etc. For updates regarding TDSB specifically, be sure to check <http://tdsbweb.tdsb.on.ca/> and our Corvette school website at <https://schoolweb.tdsb.on.ca/corvette>

Stay Well ~ Ms. Brown & Mrs. Pegg
