**** Next School Council Meeting Date - April 16th @ 6pm ****

**** Everyone is welcome. Child-minding provided ****

**** Thoughts on Volleyball ****

For me volleyball is something that I cherish because it is very fun and competitive. It is cool when you serve or when you bump or maybe even volley a couple times. It is so fun, relaxing and well cool as in a kind of cool where you can relax and be yourself, freaky flaws and all to show how you feel. So you can blast that ball back to where it came from, on the side with a volley or a bump and it doesn't matter what you send it back with just don't do an under hand because then that would be a straight up foul. So that's what I think about volleyball! It is a fun, super fun sport, that's for everybody to play. You can be short, medium or even a little tall, it doesn't matter! Everybody can play, even adults or teachers. It doesn't matter as long as you're happy then your playing right.

Written by: Alexia (Grade 6 - French Immersion)

For me volleyball means a lot! It's quite fun and I love when you get a point for your team and you don't feel alone and your team encourages you. Sometimes they are quite loud when you do a mistake. And the feeling I can't explain. The point is that I really like volleyball!

Raise the Flag Assembly

On the afternoon of March 29, the school will be participating in our second Raise the Flag for Autism Awareness event. We will begin this event with a school assembly and then will move out to the front of the school to Raise the Flag for Autism awareness. We are looking for volunteers for our awareness campaign. If you would like to lend your time to help build awareness of autism, please contact us at 416-396-6180. Thank You!

Uniform Reminder

Please ensure that your child is adhering to the school dress code. Bottoms (pants, skirts, etc.) must be grey! Tops must be white, blue or pink Corvette shirts! Thank you for your cooperation!

School Hours:

Please make sure your child is on-time for school every day. Our school entry times are:

- 8:46am & 12:26pm for Grades 1-6
- 9:00am & 12:26pm for Kindergarten

It is important that your child is here 5 minutes before school entry times.

Trip to the Century Schoolhouse

On Feb 21st, 2018, the grade 3 students went to the Century Schoolhouse. If you get a chance to go to Century School House, you should go there and this is why... You can act like a student from the olden times and that's fun, you get fake names and chores. For example, my name was Charles and my chore was slopping pigs. The Schoolhouse looks nice and beautiful because it has a nice piano, big

chalkboard and tiny desks. You can learn what olden school looks like and feels like. We got to role play and it felt like I was in the olden times. There were silly punishments in the role playing, like putting your nose on the chalkboard. It looks like it was the olden times because almost all the walls look like wood. That's why you should go to Century Schoolhouse!

Family Math & STEM Night

Please bring your family out to participate in fun math and STEM (science, technology, engineering & mathematics) activities with your children. This event will take place on March 27 from 6pm-7pm. Don't forget to ask about the door prizes too! :)

Spring Talent Show @ SCAS

Come on over to SCAS on the evening of April 25th at 6pm. Students who have a talent to showcase at the show will be invited to audition for a spot on the stage. Please remind your children to listen to the morning announcements to hear when the auditions will begin.

Summer Splash Community Event

School Council parents are organizing this event to be held on Saturday, June 23 at 10am-3pm. There will be many fun activities for families! School Council will also be organizing a Yard Sale. If you are interested in buying a table for \$20 to sell your items, please contact the school or send an email to

Corvette Inaugural Yearbook

This year Corvette staff will be producing a yearbook for all families to purchase for \$15.00. This book will contain memories of the 2017-2018 school year with a special section dedicated to our grade 6 graduates. Please watch for more information to come about how you can order your yearbook in late April/early May!

Francophone Week

A week to honour our French culture will begin on March 20 with different activities for our French students. All families are invited to a French Cafe to watch a French film with their children on March 22 at 5:30pm. A small monetary donation will be requested.

Corvette Chess Club

The game of Kings has returned to Corvette! That's right the chess club began in February. We'll be looking to develop new prodigies, that can find patterns, show concentration, and logical reasoning. But mostly to just have fun!
