## Vandalism in the Bathrooms

There has been a high-level of serious vandalism happening in the bathrooms at school. These actions are unacceptable. You can help at home by talking to your children about how to be a good citizen and how to respect the environment.

## Happenings at Corvette

Corvette's cross-country team began practising on September 13th. This year's coaches are; Ms. Carr, Ms. Hamilton, Ms. Newell and Mr. Robertson. We are getting ready for our race at Thompson Park on October 12th.

We have some new student athletes joining us this year including three grade one students in addition to many returning students.

Students who qualify for the East Conference Finals at Thompson Park will continue to train for the race on October 20th. City Finals will be held in Etobicoke on October 26th.

Team members are dedicated and have shown great responsibility by attending practices on time and giving their best effort. We are all looking forward to a great cross-country season!

### Student Agendas

All students have received their agendas during the first week of school. These planners help students and parents keep track of homework, assignments and upcoming dates.

The agenda is also a very important tool for home and school communication. The agenda includes information about Corvette and our school routines and expectations, as well as information applicable to all TDSB schools.

Please review the important front pages with your child and check their agenda daily.
