## Cosburn Winter Activity Day!

We are looking forward to our Winter Activity Day coming up this Thursday, March 3, 2016. We are thrilled to be offering this opportunity to our students and appreciate all the hard work of our amazing Cosburn Athletic Council and team of wonderful and committed teachers. It is a huge project and could not happen without their efforts! About half of our students are going skiing at Skyloft Ski Resort, some will be going to North Beach Volleyball for Rock Climbing, Volleyball and other activities, and the remainder will be going to Variety Village to participate in Wheel Chair Basketball and various other activities. We also have over 30 parents involved and volunteering on the day. It should be a great event!

## Amazing Teacher of Literacy!

Our very own Ms. Tuff was the recipient of a Reading for the Love of It award for Excellence in Literacy!

The award was presented to Ms. Tuff by our Superintendent, Mike Gallagher at the Reading for the Love of It Gala dinner, where many staff members were on hand to congratulate her on receiving this prestigious award. Ms. Tuff was the only recipient for all of TDSB which criteria was to inspire the love of reading!

Cosburn is a fortunate school to have Ms. Tuff as our Teacher/ Librarian and everyone at Cosburn says:

CONGRATULATIONS Ms. TUFF!!

## Plastic Lids Needed!

*Ms. Ponton's class will be creating an Eco Art Mural and they need your help to collect colorful plastic lids. From food containers to laundry detergent lids, anything goes! Look in your recycle bins and bring your lids either to the office or directly to Room 225. Thank you for your help!*

## Cosburn Hockey Team

The 2015-2016 Cosburn Hockey Team finished their regular season at the top of their Division with a 3-1-0 record. Backstopped by goaltending duo Justin (8A) and Aamir (7FIA) they allowed only 5 goals in 4 games. For the second year in a row the team has advanced to the playoffs and will play St. Andrews on Friday. The team is made up of students in all grades and for the first time has 3 sets of siblings on the roster. This year was also the debut of the team's new jerseys designed by Toronto artist Frank Fiorentino. The team is captained by Grade 8 veteran Jacob (8A); with forwards Sumner (8FIB), Luke (8B) and Maddie (7FLI) serving as alternates.

Go Wolves!

### Items needed!

Items of interest: Beautiful crockery, vase, jug, basket, fake flowers, other interesting objects. These items will not be returned and may get damaged.

## Knitting Club

Mme Brisson and students from her classroom have started a Knitting Club! It is a drop in club, so you students are free to come or not. We knit on Wednesdays from 11:45-12:30 in Room 223. Students will need to bring their own knitting materials if possible. We have a few more knitting needles and wool available. Knitting is a great activity that helps reduce stress and shares the same benefits of meditating. So come on down to knit while listening to music with friends and discover an interest.
