

Popular Educational iPad Apps for Kids

These iPad apps are only suggestions. There is no pressure to purchase any of the paid apps or to purchase an iPad.

Be sure to monitor your child while s/he is using these apps (or any other apps) and limit his/her daily screen time to a reasonable number of minutes.

Remember, children should be active and outdoors whenever possible. It is recommended that children have a minimum of 60 minutes of physical activity a day.
