Message from School Advisory Council (SAC)

Lyan Bennett-Daystrom PS SAC Chair

November is a month of transitions and change. The clocks will be moving back. The leaves have nearly all fallen and the preparations for winter will be in full effect. Students have settled in to the school routines as well as parents and teachers.

SAC has successfully had there meet and greet and elections for the school year. Thanks to all the parents and members of the school board who were in attendance. To all the executive members of SAC and MAL congratulations. I look forward to working with all of you to make changes and improvement alongside with the Principal, Vice-Principal and teachers for a better fun learning environment for our students.

To Mr. Ringer the parents appreciate all that you are doing and have done with the extra curriculum activities such as soccer and cross country.

I was happy to see parents being cheerleaders for their children at each event. Continue to show up and make the children proud.

“Be the change you wish to see in the world.”
