From the Principal

November 6th, 2019

Your child will be bringing their progress report card home on **Tuesday, November 12th, 2019**. This report will inform you of the progress your child is making at this point in the year. The Term 1 *Provincial Report Card* that is sent home in February 2020 will have the overall achievement with marks for the various subject areas. All Junior & Senior Kindergarten students will also be receiving report cards three times a year called the *Kindergarten Communication of Learning*.

For the Gr. 1 - 5 Progress Report, the first page indicates how well your child is developing the learning skills and work habits that are essential for success in school. There should be examples related to the subject areas. The second page provides a report on your child's **overall progress towards** the achievement of curriculum expectations at this point in the school term which ends in February. Your child's teacher(s) will check one of the columns to show overall progress at this time of year. Generally, if a student is working at the level of the *provincial standard* in a particular subject area overall, the teacher will check off *progressing well*.

The next part of the reporting process, just as important, is having an interview with your child's classroom teachers. This is a chance for them to share information on your child's progress and it is an opportunity for you to share your insights. Each teacher has, or will be soon, making the interview time arrangements with their

classrooms. Next term, and year, we will be using a whole school online booking system for both teacher and parent convenience in booking interviews.

All teachers will do their best to keep to the interview timetable but we do need your help in achieving this goal. To ensure that the time you spend with your child's teacher is most productive, we ask that you please:

- Arrive on time and review your child's report card prior to the meeting
- Have specific areas of concern or questions, written down prior to the meeting
- Be aware of the 15 minute time line and other parents who are waiting their turn

Other News at Denlow

Book Fair in the Denlow Gym Next Week

The fair will begin on Tuesday, Nov. 12th and run until Friday, Nov., 15 at 11:00 a.m. Please note that we will be open late night on Wednesday, November 13th until 6:30 pm. Please drop by for a visit when you come for an interview. This support helps the Denlow Library and classrooms receive new books from the profits returned to Denlow.

Daily Bread Food Bank is in Need of Help

Please contribute to our We Club Food Drive which is now extended to November 18th

Consider bringing non perishable food items on your way to the Book Fair or your child's interview next week. Boxes in the front hall. Thank you!

X Movement is Coming to Denlow!

We are thrilled to welcome the X MOVEMENT team to our school! Our students will be participating in an X DANCE experience.

X Movement will integrate the powerful Connected Movement Approach to Energize our school! Connected Movement is...

MOVEMENT

Physical activity that makes you feel good, irrespective of ability.

MINDFULNESS

Using reflection to become aware of self, other and the world around you.

MATESHIP

Building relationships through communication, equality and trust.

X Dance encourages students to understand where in the world they belong. They are asked to celebrate what makes them diverse. This is solidified with an 'I AM XTRA AWESOME' affirmation.

Celebrating others for their unique characteristics also has a large focus throughout the program with the affirmation "YOU ARE XTRA AWESOME!"

For more information on the program, please xmovement.com or Mrs. Gordon at school

From SAC
