Dear Parents/Guardians,

We wanted to provide an update about support for families in our community that have been affected by the major fire at 235 Gosford last weekend.

Over the past few days, we have gained more information about the number of students and their families who have been impacted by the fire. Some have lost most, if not all, of their belongings and it remains unclear when they will be able to return home.

I want to assure you that we are supporting students at our school and their families in any way we can. Many of you have also reached out to provide assistance. This is why we are launching a central campaign to raise funds for all affected TDSB students and their families. As you may know, residents of the Gosford building attended multiple local schools.

To donate visit: tdsb.on.ca/About-Us/TDSB-Charity-Page. All proceeds will go towards clothing, food and other essentials to help these members of our community rebuild their lives. Donors will also receive tax receipts for their donations of any amount.

Your generosity is truly appreciated as we come together to support our students and their families.

If you have any questions or concerns, please do not hesitate to contact the school at 416-395-2310.

Sherron Grant
Principal
