Ongoing research shows that family engagement in schools improves student achievement, reduces absenteeism, and restores parents' confidence in their children's education. Students with involved parents/guardians earn higher grades, have better social skills and show improved behaviour. The LC2 Parent Academy Conference 2019 is a FREE conference that supports you, your lived experiences and honours the hopes and dreams you have for your children.

- Individual Education Plan: Building on Student Strengths
- Supporting Transitions for Every Pathway (S.T.E.P.)
