National AccessAbility Week - Sun, May 25 - Sat, May 31, 2025

National AccessAbility Week (NAAW) takes place every year starting on the last Sunday in May. It is a time when accessibility and inclusion is promoted across communities and workplaces and a time to celebrate the contributions of Canadians with disabilities. It is also an opportunity to recognize the efforts of Canadians who are actively removing barriers and ensuring persons with disabilities have an equal chance to participate in all aspects of Canadian society. The increased social and economic inclusion of persons with disabilities has positive economic and social benefits, for persons with disabilities, for business, the economy, and society in general.

TPH Respiratory Resources Digital Toolkit

Thanks to our concerned parents, Toronto Public Health responded to the Trustees by sending an informational letter from Dr. Michael Finkelstein, deputy Medical Officer of Health:

The [TPH Respiratory Digital Toolkit](#) has been created to assist all families, students and staff with clear recommendations to wear high quality, well-fitted masks; to increase airflow and ventilation; and to avoid indoor, crowded areas with poor ventilation. These two infographics contain essential information regarding airborne transmission of diseases that is new to most members of the public.

This kit includes two new infographics, "How Do Respiratory Viruses Spread" and "4 Steps for Self-Protection".

Public health is of course, still an urgent matter. With this information we can work together to help prevent the transmission of many serious, infectious diseases.

May 2025

Asian Heritage Month - May 2025

Since 2007, the TDSB has proudly celebrated Asian Heritage Month, recognizing the rich cultural diversity and contributions of Asian Canadian communities. This year's theme, Asian Canadians Up and Rising, highlights the strength, resilience, and remarkable achievements of Asian Canadians. Throughout May, we invite you to explore various educational opportunities that honor and celebrate these communities. Read the [full Asian Heritage Month message](#) to discover exciting events, workshops, and resources designed to inspire and educate our students and staff.

Jewish Heritage Month - May 2025

Jewish Heritage Month is a special time for the TDSB to recognize and celebrate the social, economic, political, and cultural contributions of Jewish Canadians. This May, the TDSB's Jewish Heritage Committee has curated a series of impactful, innovative, and inspirational opportunities for students to engage with Jewish heritage and culture. We encourage you to learn more about these enriching experiences and join us in celebrating the vibrant Jewish community within our schools. [Read the full message to learn more.](#)

New-Build Funding for TDSB Indigenous Education

The TDSB is [advocating for urgent funding to build a new Indigenous Education school](#), led by the Urban Indigenous Community Advisory Committee. This initiative aims to create an innovative hub for Urban Indigenous Education, accommodating students from Junior Kindergarten to Grade 12, along with a childcare centre. Rooted in Indigenous teachings and community, the new standalone and fully Indigenized building for Kapapamahchakwew - Wandering Spirit School will provide a welcoming and inclusive environment for students across Toronto. This vision honors our commitments to the Truth and Reconciliation Commission of Canada: Calls to Action and the United Nations Declaration on the Rights of Indigenous Peoples. Despite persistent efforts, attempts to secure new-build funding through the Ministry of Education's Capital Priorities Program have not yet been successful. The Urban Indigenous Community Advisory Committee and Board of Trustees are requesting transparent

and accessible funding that reflects the current construction market and aligns with our commitments to Truth and Reconciliation.

Key Education Priorities for the 2025 Federal Election

With Prime Minister Mark Carney now elected as Canada's next leader, the TDSB is urging the new government to address key education priorities that impact the future of public education. As Canada's largest school board, serving approximately 239,000 students, we highlight four crucial areas: sustainable funding for Indigenous education, the implementation of a national school food program, increased support for childcare spaces, and enhanced resources for newcomer and refugee students. These priorities are essential for the success and well-being of students in Toronto and across Canada. We hope these critical issues will be thoughtfully integrated into the new government's agenda.

TDSB Budget Update

The Toronto District School Board continues to face budget challenges in meeting the needs of our schools and services. While we are committed to using our resources responsibly, the funding from the provincial government is insufficient to meet the needs of Toronto students. We are facing a projected structural deficit of approximately \$58 million for the 2025-26 school year. While a number of options have been brought forward to Trustees for consideration, it's important to note that no final decisions have been made. The Core Education funding for 2025-26 has yet to be announced and when it is, staff will update the financial projections and inform Trustees.

2025-26 Student Senate Election

We are excited to announce that the [2025-26 Student Senate Election](#) will take place on June 3 and 4.
