The Eco Team held several events to celebrate Earth Week.

- ✓ An Endangered Species themed Kahoot was hosted, and the winner of the competition received a set of reusable straws.

TPH Respiratory Resources Digital Toolkit

Thanks to our concerned parents, Toronto Public Health responded to the Trustees by sending an informational letter from Dr. Michael Finkelstein, deputy Medical Officer of Health:

The [TPH Respiratory Digital Toolkit](#) has been created to assist all families, students and staff with clear recommendations to wear high quality, well-fitted masks; to increase airflow and ventilation; and to avoid indoor, crowded areas with poor ventilation. These two infographics contain essential information regarding airborne transmission of diseases that is new to most members of the public.

This kit includes two new infographics, “How Do Respiratory Viruses Spread” and “4 Steps for Self-Protection”.

Public health is of course, still an urgent matter. With this information we can work together to help prevent the transmission of many serious, infectious diseases.
