## TPH Respiratory Resources Digital Toolkit

Thanks to our concerned parents, Toronto Public Health responded to the Trustees by sending an informational letter from Dr. Michael Finkelstein, deputy Medical Officer of Health:

The [TPH Respiratory Digital Toolkit](#) has been created to assist all families, students and staff with clear recommendations to wear high quality, well-fitted masks; to increase airflow and ventilation; and to avoid indoor, crowded areas with poor ventilation. These two infographics contain essential information regarding airborne transmission of diseases that is new to most members of the public.

This kit includes two new infographics, “How Do Respiratory Viruses Spread” and “4 Steps for Self-Protection”.

Public health is of course, still an urgent matter. With this information we can work together to help prevent the transmission of many serious, infectious diseases.

## Your Voice Matters

Children's Mental Health Week is May 5-9, 2025. This year our theme is all about expressing the importance and power of students' use of their voice, what it means to them and how they demonstrate it.

The winning designs will be announced in May, during Children's Mental Health week, when we visit schools to share the news with students and their communities. We will also feature the posters on Social Media and in some TDSB buildings.

Please see the [attached flyer](#) and instructions for contest details and submission information. Supplemental activities have been included to support students with exploring ideas that connect to this year's theme "Your Voice Matters"; engage students in sharing their story and ideas of how their voice matters; and how they might express those ideas visually through the creation of a poster.

A Certificate of Participation is also included to be given to each participating student.

The deadline to submit contest entries is April 4, 2025 at 5:00 p.m.
