TDSB e-Summer School is a free, high school credit program for Ontario students who wish to pursue secondary school courses online! TDSB e-Summer School offers dozens of online courses available in the July and August sessions. The e-Summer School program is open to TDSB and other Ontario secondary school students aged 13-20. Please note: For International Visa Students there is a \$1500 CDN fee for each course. Please complete this [form](#) if you are an international Visa student.

Our popular summer online program is offered in two sessions throughout July and August. The program is primarily asynchronous with direct teaching for about one hour/day and teachers available for the rest of the school day to hold office hours, small group sessions, individual tutorials and respond to student questions via email.

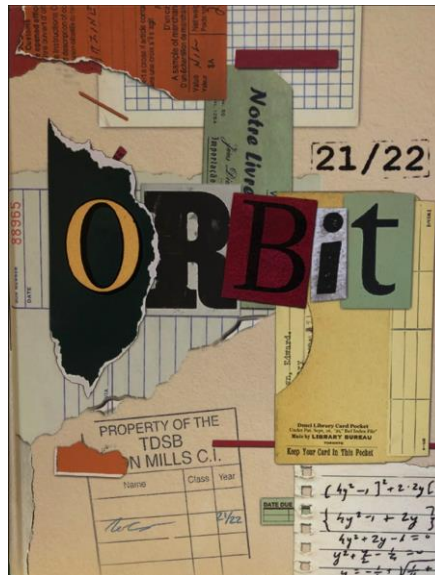

The Toronto District School Board reserves the right to cancel classes. Students will be contacted in advance of the e-Summer session if the course they have selected is cancelled.
