# Search and Select the course you want to add

The screenshot shows a web interface for selecting high school courses. On the left is a dark sidebar with navigation options: Home, Who Am I, High School (selected), Post-Secondary, Work, Money, Guides, and Favourites. The main content area is titled 'High School' and has two tabs: 'Plan' and 'Courses' (selected). Below the tabs is a search bar with the placeholder text 'Search Courses...'. To the right of the search bar is a 'Filters' section with a 'Grade' dropdown menu set to 'English'. A large red arrow points from the left sidebar towards the search bar. A red dashed box highlights the search bar and the 'English' filter. Below the search bar, it says '13 Results Found'. A list of course options is shown, with a red dashed box highlighting the first option: 'English (Academic)'. A second large red arrow points from the right towards this highlighted course. The course details for 'English (Academic)' are: Grade 10 • ENG2D1 • 1 Credit • Academic. Other visible course options include 'English (College Preparation)', 'English (University Preparation)', 'English, Grade 9', 'Presentation and Speaking Skills (with ELL Support for ESL C/D/E)', 'Beginning Communication in English', and 'English in Daily Life'. Each course entry has a green checkmark and the word 'Add' to its right.
