# Official High School Plan

The screenshot shows a student account interface. At the top, it says "Student Account" and "Gr. 9". The user's name is "Abigail Villamin". The main heading is "High School" with tabs for "Plan" and "Courses". A red dashed box highlights the "Official High School Plan" link. Below this is a progress bar with three steps: "Step 1 Add Courses", "Step 2 Review Courses", and "Step 3 Submit Courses". A "Review Course Selections" button is next to Step 3. A message states "Your courses are Not Submitted". The main content is a table with columns for "Grade 9 Current Year", "Grade 10 Next Year", "Grade 11 Plan Ahead", and "Grade 12 Plan Ahead". The table lists five courses for Grade 9 and their corresponding options for the following years. On the right, a "Graduation Indicator" shows "8/30 REQUIRED CREDITS" with a progress circle and buttons for "Planned", "Earned", and "Total". Below that is an "SHSM Planner" section.

# Search and Select the course you want to add

The screenshot shows a user interface for selecting high school courses. On the left is a dark blue sidebar with navigation options: Home, Who Am I, High School, Post-Secondary, Work, Money, Guides, and Favourites. The main content area is titled "High School" and has two tabs: "Plan" and "Courses". Below the tabs is a search bar with the placeholder text "Search Courses...". To the right of the search bar is a "Filters" section with a "Grade" dropdown menu set to "English". A red arrow points from the left towards the search bar. Below the search bar, it says "13 Results Found". A list of course options is shown, with the first one, "English (Academic)", highlighted by a red dashed box and a red arrow pointing from the right towards it. The other courses listed are "English (College Preparation)", "English (University Preparation)", "English, Grade 9", "Presentation and Speaking Skills (with ELL Support for ESL C/D/E)", "Beginning Communication in English", and "English in Daily Life". Each course entry includes its grade level, course code, credit value, and type.
