

## **Curriculum Night Bake Sale Update September 27, 2018**

Thanks to all the parents who were able to drop off baked goods for the sale. Thanks to Francine, Michelle Lyall and Jen Smith for helping. A special thanks to parent Adele Shaw who was instrumental in providing treats and setting up the table! Parent Council is happy to report that the sale total for the event was nearly \$470!

Thanks to all the teachers, staff and to VP McDonald and Principal Chatzis for the hotdogs, the ribbon cutting on the new play structure, the samples of the Dundas Spirit wear, the classroom tours and the intros to the gym, library, STEAM Lab, music and dance room and more! Our caretaking staff is the best for setting up tables and more and cleaning up everything!
