School Update (See separate Principal's Update for full report -click on this link) - Julie Kwon

• See separate Principal's Update for full report ("Copy of February 12, 2025" is name of attached document)

### Financial Update - Somayah and Azadeh (Budget is in the attached linked document)

- Somayah presented the budget. She pointed out some key actual income, just to name a few lunch program, fun fair event, family donations (\$600), Valentine's program (actual was \$475; was expecting \$750), Grade 5 fundraising, games night (actual was \$1454, was expecting \$2000)
- For expenses, Somayah pointed out some actuals, just to name a few, here are some numbers, \$2970 for the fun fair, jungle sports was \$250 more than budgeted, games night was under budget at \$888 actual (vs. budgeted \$2200).
- The reserve is \$12,695 right now.

### Events Update - Nat

- Valentine's Day Grams
- WinterFest is no longer happening on February 21st; we didn't think we could get enough activities and get the word out to the school community in time for enough people to attend to make it a success.
- Naadia proposed sending out a google survey to parents seeing their interest in another Games Night or a Spring Fest. Julie Kwon will send this out in her next weekly email. Naadia will be the lead on this event.
- Nat is organizing the Fun Fair. She needs someone to take care of volunteers and took ideas of what to do and not to do for the next fun fair.
- Both Azadeh and Naadia agreed that pizza should be an option to buy on cash online beforehand for the Fun Fair instead of only burgers and corn. Not all kids like burgers and corn.
- Instead of an ice cream truck, we'll sell freezies instead. We will make sure we don't keep them in the box when we freeze them.We don't feel we made enough money from the ice cream truck.
