Greek Heritage Month 2025

The TDSB is proud to recognize Greek Heritage Month every March, which is a significant month for the Hellenic community. The theme for 2025 is *Odyssey - A Decade of Celebrating Greek Heritage Month*. Several educational activities have been planned to help students, staff, and families mark the occasion. In early April, all TDSB community members are welcome to attend two Greek Heritage Month events, including the Annual Greek Independence Day Parade. Trustees Call for Provincial Funding for New Toronto Schools

[Our Board is calling on the province](#) to address the urgent need for new buildings and renovations at Toronto schools. Despite a recent [\\$1.3 billion provincial funding announcement](#), no projects in Canada's largest school board were included.

TDSB's 579 schools are, on average, over 60 years old, with many requiring urgent repairs and renovations. In addition to not receiving any Capital Priorities funding, we continue to be challenged by a growing \$4.5 billion maintenance and repair backlog. This lack of support results in the Board spending money on older and/or low enrolment schools, while limiting the breadth of programming for students. As Chair Neethan Shan stated, "TDSB students, families, and educators deserve investments in our schools to deliver the best education possible for the future of Ontario."

Addressing the Education Funding Gap from Inflation

Ahead of the provincial election, TDSB Trustees used a [news release](#) and [letter to Ontario party leaders](#) to address critical funding shortfalls impacting our schools and communities. According to Canadian Centre for Policy Alternatives, school boards relied on an average of \$14,700 per student over the 2018-19 school year when adjusted for inflation. For the 2024-25 school year, boards will have to make do with just \$13,200. This sizeable funding gap heightens existing needs and creates new challenges.

We have called on the Government of Ontario to help close the gap by increasing the amount of per student provincial funding by \$1,500 when 2025-26 core education funding is announced. Without adequate funding, our ability to offer a well-rounded education is compromised. This current situation is unsustainable and unfair to students, staff, and families. By increasing per student funding to

meet inflation-adjusted levels, we can help ensure that every Ontario student has access to the resources they need.

Advocating for Equity, Diversity, and Anti-Racism Teacher Certification

TDSB Trustees are [advocating for mandatory equity, diversity, and anti-racism certification](#) for all K-12 teachers in Ontario. This initiative aims to ensure educators are equipped to support racialized students. Data from the TDSB indicates that 80% of reported incidents involve racism, with a significant portion being anti-Black racism. The TDSB is committed to inclusive learning environments, as outlined in our Multi-Year Strategic Plan and Equity Policy. We propose that the Ministry of Education consult with key stakeholders to develop and implement this certification program. By doing so, we can foster truly inclusive and supportive educational environments for all students and educators across Ontario.

2025-26 Student Trustees Election

On February 26 and 27, thousands of TDSB students from grades 7 to 11 participated in online polls to elect the [2025-26 Student Trustees](#). With 35 enthusiastic candidates in grades 10 and 11 running for the two positions, students had the opportunity to watch video speeches and make informed choices for their leadership. The Student Trustees will represent the voice of approximately 239,000 TDSB students, attending Board and Committee meetings, and working closely with the Student Senate to promote student voice and engagement across the district.

The TDSB Board of Trustees is excited to welcome Ahnaaf Hassan, a Grade 11 student at R. H. King Academy, and Victor Jiang, a Grade 11 student at Marc Garneau Collegiate Institute, as the 2025-26 Student Trustees. You can [read the full announcement](#) to learn about their campaigns. Congratulations to all student candidates for their dedication and hard work!

Nominations NOW OPEN for 2025 TDSB Excellence Awards

The [2025 TDSB Excellence Awards](#) are just around the corner! These awards recognize the outstanding efforts of TDSB staff who go above and beyond for students, colleagues, and the broader community. We encourage nominations

from students, staff, families, and community members before the deadline on Friday, April 4 at 5 p.m. I look forward to celebrating the dedication and commitment of TDSB's incredible staff who make our schools and workplaces exceptional spaces to learn, work, and play.

Reminder: Mid-Winter Break

Mark your calendars! The Mid-Winter Break is scheduled for March 10 to 14, 2025. During this week, there will be no classes. We hope everyone enjoys a restful and rejuvenating break.

Help Protect Against Measles Ahead of March Break Travel

[Measles continues to circulate in Ontario](#) and around the world, with an outbreak currently occurring in the southwest of the province. In the past year, Ontario reported more than 80 cases of measles, with 10 cases in Toronto. By comparison, 101 measles cases were reported to Ontario public health units from 2014 to 2023. In Toronto, most measles cases are travel-related, including travel around March Break.

Toronto Public Health (TPH) encourages students and families to stay up-to-date with their routine vaccines, including the measles vaccine, before March Break travel. For those staying in town during the Mid-Winter Break, TPH will be hosting vaccine catch-up clinics. These clinics provide a convenient way for students to receive routine vaccines required under the Immunization of School Pupils Act (ISPA), including the measles vaccine. Appointments are available at tphbookings.ca.

FROM LAST MONTH

Register for Kindergarten Today!

Register for English Kindergarten programs today! Children who will be four by December 31, 2025, are eligible to start Junior Kindergarten in September 2025. We cannot wait to welcome these young learners to TDSB schools.

Families can register their child online at tdsb.on.ca/kindergarten or in person at the school. Remember, even if you register online, you will need to validate your registration information in person at the school.
