

EARL GREY PUBLIC SCHOOL DIRECT DONATION DRIVE NOVEMBER 2021

TO: All Earl Grey Families
FROM: Earl Grey School Council
DATE: November 15, 2021

Dear Earl Grey Families,

Earl Grey needs your help.

During this unprecedented year, we are hoping to raise \$10,000 in direct donations by Dec. 17, 2021 to fund the Arts, active programs, presentations/workshops for students, as well as technology. We want to create a variety of Art kits for classes to access, and book a number of virtual performances (e.g. Prologue Performing Arts - \$ 600 per presentation, Scientists in the School - \$230 per presentation) that would be accessible to all students in the school. We would also like to purchase additional Chromebooks that will allow students more equitable access to the curriculum (each Chromebook is roughly \$ 300).

As this is likely our only fundraiser for the year, a donation of \$ 25 per student will allow us to reach our goal!

Thank you for your generous donations to help enhance our school during this pivotal time of transition, as students move from elementary to secondary school and childhood to young adulthood.

This year, due to Covid, we can only accept donations online.

Step 1: Go to [Click here to Donate to Earl Grey PS](#)
