

East York CI Student Exam Schedule June 2024

Please see the exam schedule that follows. Students should make note of each of their exams and make sure to arrive at exam locations at the correct date and time with all materials needed to write exams. Materials may include pens, pencils, rulers, calculators, etc. Students should follow the guidance of their classroom teachers regarding return of course materials like textbooks.

Extra time

All students can write for up to 1.5 times the recommended duration of the exam in the scheduled exam room. For 90 minute exams extra time will extend up to 135 minutes. For 120 minute exams extra time will extend up to 180 minutes. Each EQAO session is intended to take about one hour but students may write until they are finished.

Other Accommodations

Students with documented needs may elect to write exams in the resource room in order to access a quiet, smaller setting or assistive technology. Please speak with your classroom teacher to sign up to write your exam in resource before Friday, June 7th.

Conflicts

Conflicts will be accommodated only in extenuating circumstances. Please consult with your VP by alpha if you have a conflict.
