Types of Courses

Academic (D)

- Emphasis on theoretical aspects of the content

Applied (P)

- Emphasis on practical applications of the essential concepts

Open (O)

- Courses have one set of expectations for all students

Locally Developed (L)

- For students who struggled with the concepts in the Gr. 8 Math, Science or English course.

Q: Can I take more than one type of course?

A: Students may take a combination of applied, academic, open, and locally developed courses

Q: Do only academic courses lead to university?

A: No

- **Academic courses (Gr. 9 & 10) lead to University and Mixed courses (Gr. 11 & 12)**
- **Applied courses (Gr. 9 & 10) lead to College and Mixed courses (Gr. 11 & 12)**
- **However, there is opportunity for a student who excels in Applied level to change to Academic or U/M level courses**
- **Students need only be in University level courses in English and the subject areas they wish to pursue in university**
