First Day of School

Students in Grades 1 to 5 will learn their class placement/teacher on the first day of school. As we have done in previous years, teachers will collect and welcome their classes outside (weather permitting). Please remember that classroom placement is subject to realignment in September. Junior Kindergarten and Senior Kindergarten parents will receive a letter indicating their classroom/teacher in July. We look forward to seeing you back on September 8th.

Back to School

Parents often ask us what children need for Back to School. TDSB policy is that the school will provide all supplies and materials students need in the classroom. However, if you would like to purchase school supplies for your child, here are some items that would be helpful: pencils, eraser, coloured markers (basic set), pencil crayons (12 basic colours), glue stick, pencil case, basic calculator. Students will need running shoes for gym class (non-marking, please!).
