

Crosstown LRT Project – Update, October 17, 2019

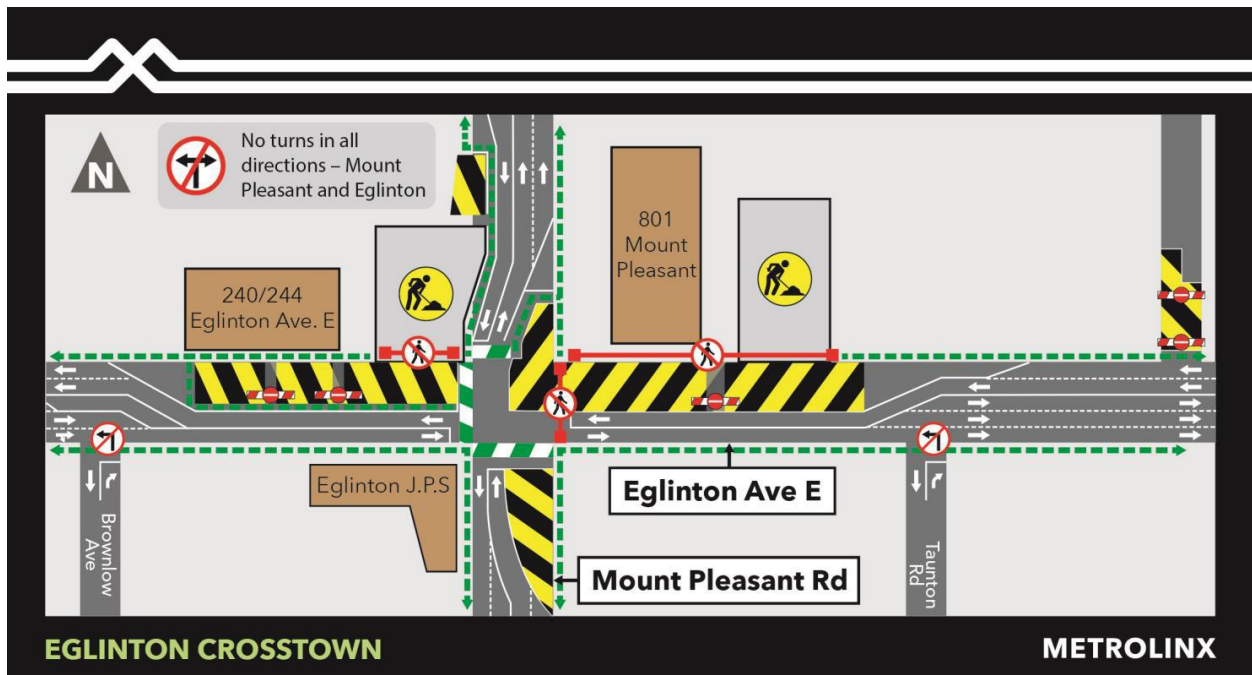

Intermittent Sidewalk Closures at Mount Pleasant Station

Starting Friday, October 18, the sidewalk on the north side of Eglinton Ave. East will be closed intermittently for one week to accommodate ongoing piling work at Mount Pleasant Station.

Intermittent sidewalk closures will take place from the north-easterly corner of Mt Pleasant Rd. and Eglinton Ave. to 300 Eglinton Ave. The closures will take place between 7 a.m. and 9 p.m. Access to the surrounding buildings and TTC will be maintained at all times.

The sidewalk will be reopened from 8 a.m. to 9 a.m. and 3 p.m. to 4 p.m. to mitigate disturbances to pedestrian traffic. Traffic control personnel will be present while these closures take place to assist pedestrians with navigating the area.

Traffic Configuration during the Sidewalk Closure
