

Crosstown LRT Project – Update, February 8, 2019

Storm Sewer

- Crosslinx has informed us that the work related to the sewer connection at Brownlow (west of the school) is expected to be completed by the end of next week.
- Noise is expected due to the use of an hydrovac.
- Crews will be working 24hrs/day; however, the hydrovac will not operate after 11p.m.

Please visit the [school](#) and [Crosstown LRT](#) websites for regular updates.
