

October 2025 SC Parent Survey

Regulation 612/00 of the Ontario Education Act states that "the purpose of School Council is, through the active participation of parents, to improve student achievement and enhance the accountability of the education system to parents."

A School Council shall make recommendations on any matter to our ESPS Principal, Etienne Mercieca. School Council represents parent's voice. We want to hear from you! Please complete the following survey so that we can address parent concerns/wants/needs to improve our children's experience and success in our school.

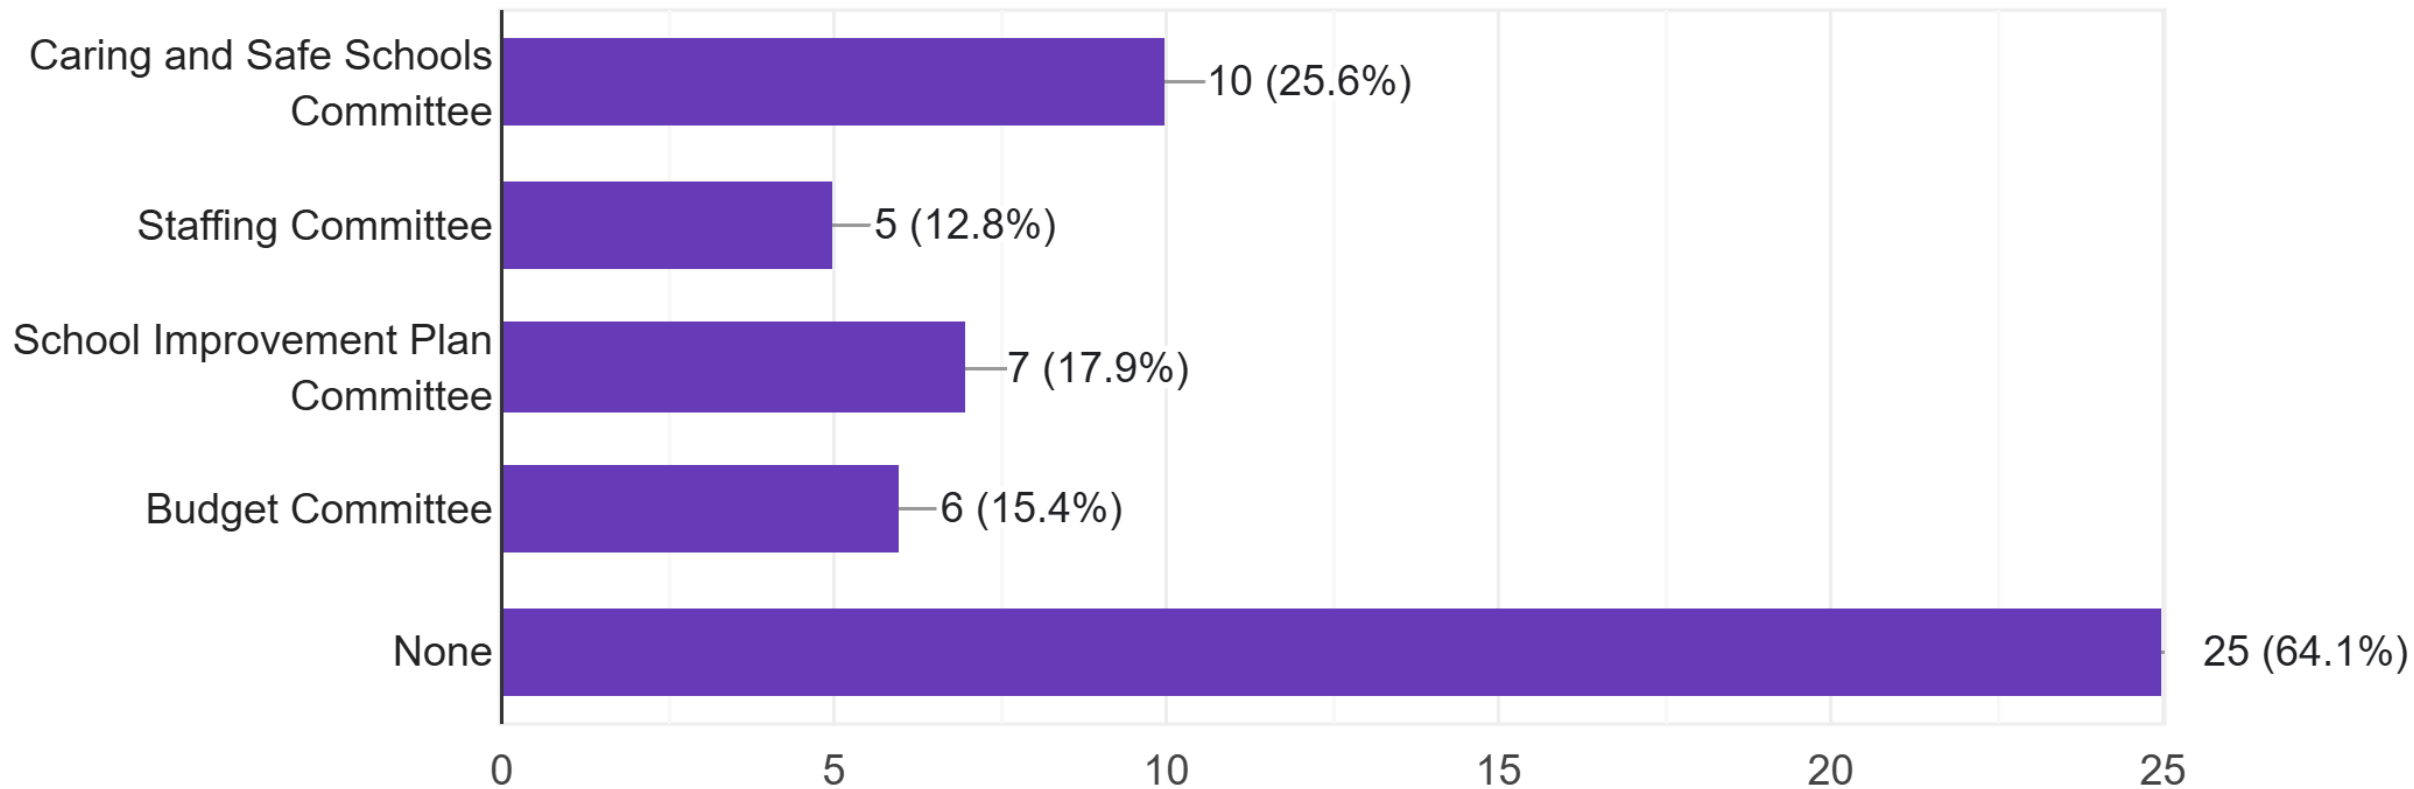

Please rank the importance of the following as it pertains to your child(ren)'s academic achievement

1. School Safety (physical, mental, and emotional well-being of students)
2. Class Resources (paper, books, worksheets, technology)
3. Staffing (develop organization model with respect to staff allocation numbers and projected enrollment)
4. School Improvement Plan (actions to meet the needs of every learner with respect to mental health & well being, equity, and achievement)
5. Arts (includes music)
6. Athletics (teams, coaching, competitions)
7. School Budget (consultation with the principal to set priorities and expenditure plan)
8. Facility Resources (library, labs, gym, fields, playgrounds)
9. Enrichment Programs (i.e. science, coding, financial classes)
10. School Community Events (fun fairs, talent show, concerts, field trips)
11. Availability/accessibility to special needs support
12. Nutritional Program
13. Additional Support (counselling, tutoring, etc.)
14. Leadership/Social Programs (clubs, school council, team building events)

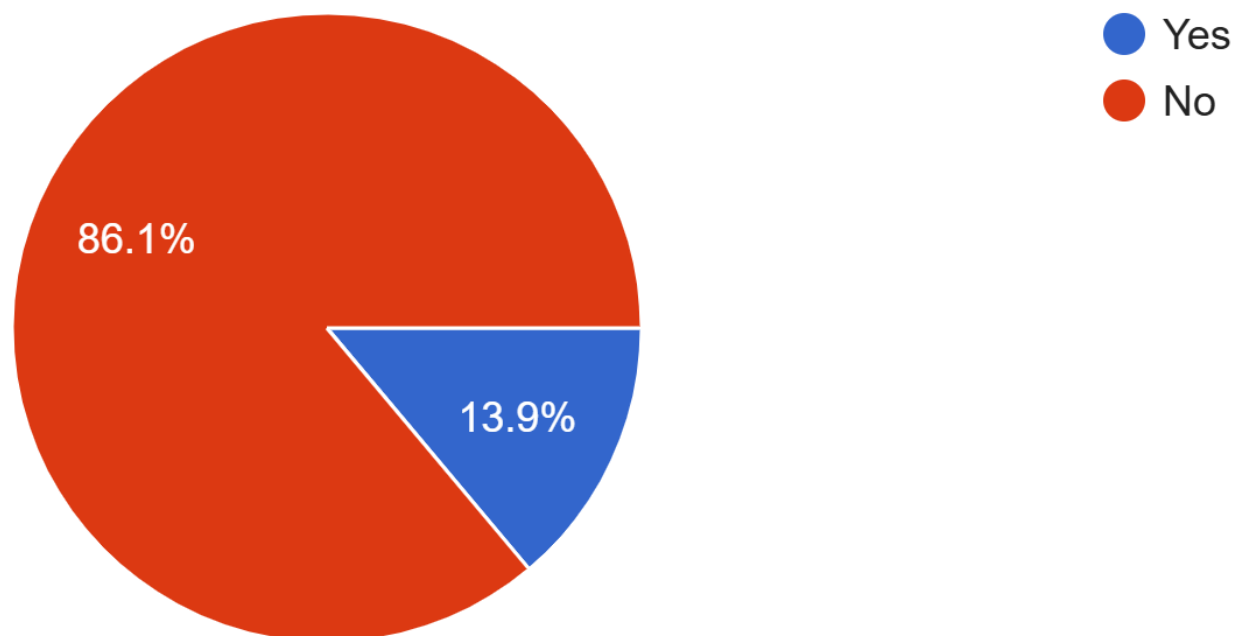

I am interested in participating in School Council's Committees (Read more here <https://www.tdsb.on.ca/Portals/0/docs/School%20Committee%20Participation.pdf>)
