

Student/ Parent Quick Guide to Guidance Google Classroom

Guidance Google Classroom is designed to help communicate effectively with students and parents regarding updated announcements and resources related to a variety of topics such as job postings, mental health and wellness resources and scholarship information to name a few. Here are the steps for your child to access the Guidance Google Classroom:

1. Open google chrome browser and log into <https://aw.tdsb.on.ca/sites/awsupport> (ensure that you have logged out from your personal g-mail account)
2. Log into AW using your student Tdsb email and password.
3. Find the classroom location.

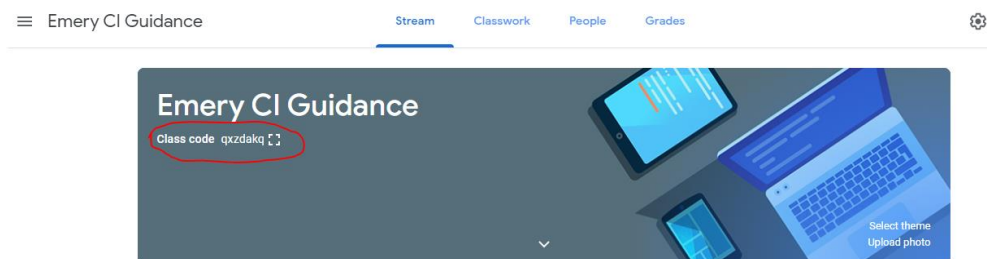

4. Join the classroom using the plus button on the upper right hand corner.

5. Enter the class code.
