

NEW School Appointments

We are using a new online format to book parent/teacher interviews.

Parents can access the system to book appointments starting on November 7, 2017.

Parents click on the "Register" tab and fill in the registration form to create an account. Once parents have registered, they can login to the system and then must register their students by name.

Parents can schedule appointments for any student that they have added to the system by clicking on the "Appointments" button beside the student's name.

Please see attached detailed instructions.

If you have further questions please contact the office.

French Programs

For families interested in the Toronto District School Board's French Immersion or Extended French programs, we offer an online process for applying to:

- Early French Immersion (EFI) which begins in Senior Kindergarten;

- Junior Extended French (JEF) which begins in Grade 4

We guarantee an offer of placement in the program (not a specific school) to all on-time applicants. Transportation is provided as per the Board's Transportation policy.

The timelines for applying for these programs for September 2018 are:

- Applications for Early French Immersion (for a Junior Kindergarten aged child), must be completed online between October 30, 2017 and November 30, 2017.

- Applications for Junior Extended French must be completed online between January 8, 2018 and February 8, 2018.

Offers of placement within your chosen program will be made to all on-time applicants in the weeks following the close of the application window.

Please note: families with an older sibling currently in a French program are still required to complete an online application for the new student.
