

## Request for Immunization Information for New Students Instructions for Parents/Guardians

1. Please fill in the date (year/month/day) of **each shot** your child received or attach a clear photocopy of the student's immunization record. Both sides of the record must be included.
2. Be sure your child's name, date of birth and school name are clearly shown on the record.
3. If you do not have an immunization record for your child, take this form to your doctor to complete.
4. If your child does not have an Ontario Health Card and you cannot afford a doctor's service for immunization, call the Immunization Information Line at **416-392-1250** for more information.
5. To inquire about exemption from immunization for medical, religious or philosophical reasons, call the Immunization Information line at **416-392-1250**.  
**Please note: If there is an outbreak at your child's school, children who are not adequately immunized will not be able to attend school until the outbreak is over or they have received the necessary vaccine.**
6. Keep your child's immunizations up to date and **always keep** the original for your record.

**Each time your child receives a shot,  
you are required to inform Toronto Public Health.**
