Robosapiens Head to First Robotics at the University of Western Ontario

Good luck to our robotics team as they head to London this weekend! They had a very successful competition at York University a few weeks ago and they are ready for a great couple of days of action! Watch them live at <https://www.thebluealliance.com/> or use the TBA app

April 10, 2019 marks the International Day of Pink. It is a day where communities across the country, and across the world, can unite in celebrating diversity and raising awareness to stop homophobia, transphobia, transmisogyny, and all forms of bullying.

The International Day of Pink was started in Nova Scotia when 2 high school students saw a student wearing a pink shirt being bullied. The 2 students intervened, but wanted to do more to prevent homophobic & transphobic bullying. They decided to purchase pink shirts, and a few days later got everyone at school to arrive wearing pink, standing in solidarity. The result was that an entire school took a stand and began working together to prevent homophobic & transphobic bullying.

We hope to see a sea of pink at FHCI next Wednesday! For more info: <https://dayofpink.org/about/>

Forest Hill Collegiate will be hosting **the Inside Ride** on April 16! This is a school wide fundraiser where teams of 6 students and/or staff ride stationary bikes to raise funds to support children fighting cancer. We have over 100 registered participants for this spirited event!

Even if your student is not participating, please visit the fundraising page and sponsor a participant <https://p2p.onecause.com/inside-ride-ontario-academic/event/ForestHill>
