Dear Parents and Guardians,

It has come to our attention that a number of Forest Hill Collegiate students intend to take part in a student walkout being planned for Thursday, April 4 at 1:15 p.m. The province-wide walkout is to protest the Ontario government's recently announced changes to education. To be clear, this is not a TDSB-sanctioned event, nor are we encouraging students to take part, however we wanted you to be aware of what is being planned.

One of the very top priorities at our school is safety. To that end, the administration will be working with student organizers to ensure the well-being of all those participating. School administration and other staff will be present to ensure that students are safe throughout the demonstration. We have also contacted Toronto Police so that they are aware. If your child leaves school property, we cannot be responsible for them as we will be remaining at the school. Please speak with your child about safety in relation to this event if your child intends to participate.

As a school, we encourage students to be well-informed about issues in our society, to think critically, and to express themselves respectfully and responsibly in articulating views they may have.

Should you have any questions or concerns, please contact the school.

Sincerely,

Reiko Fuentes
