Student Activity Package

All students are expected to purchase a Student Activity package for \$60. This money supports a variety of initiatives in the school (please see Opening Day attachment for exact breakdown).

Students can come to the school to purchase their package and pick up their timetable prior to school starting. Grade 9 students are encouraged to do this on the morning of August 26 (prior to Head Start to High School).

Payment – School Cash online (instructions are attached)

Students must bring receipt of payment with them when they come to pick up their package (printout or electronic receipt).

Upon payment, students will receive:

- Temporary Student Card / receipt of payment
- Locker assignment
- Student agenda
- Time table for 2019-2020

Any student still owing textbooks or Library books are asked to return the items to the Main Office when they arrive to pick up their timetable.

Opening Day – Tuesday, September 3

Students unable to pick up their timetables between August 26 – 30 can should arrive at school early on Tuesday where they can show their receipt and pick up their items before classes start.

Classes will run from 9:00 – 11:45 a.m. Wednesday September 4 will be a full day of school on a regular schedule.

Book Donations

Several families have asked about donating books to the Library collection. Books published in the last 5 years would be welcomed and appreciated. As the Library is currently being re-carpeted, book drop off can happen in the Library after school begins on September 3.

Wishing you a fun and relaxing end to summer and we look forward to working with you and your child over the next four years.

Sincerely,

Reiko Fuentes
