If you're at school and already logged into TDSB network you don't have to log in again to access Desire2Learn, just open <https://tdsb.elearningontario.ca>

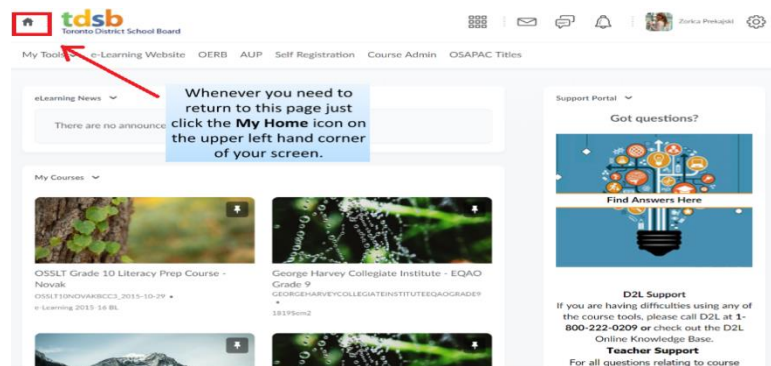

From home, go to <https://tdsb.elearningontario.ca> and then enter your TDSB student number and computer network password to log in (this is the same password you use for school computers).

In the upper menu select Resource and then select Brightspace.

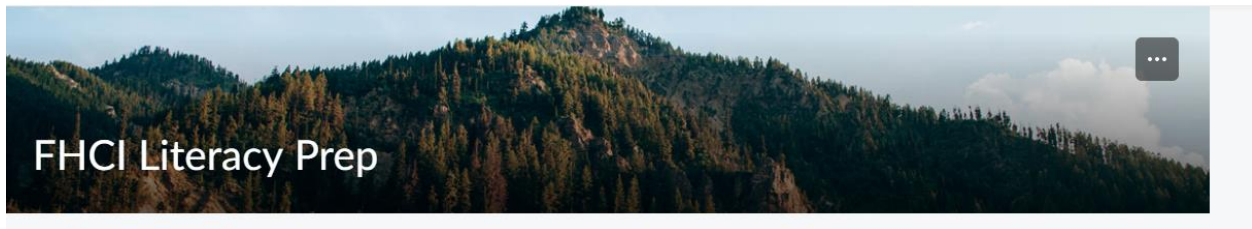

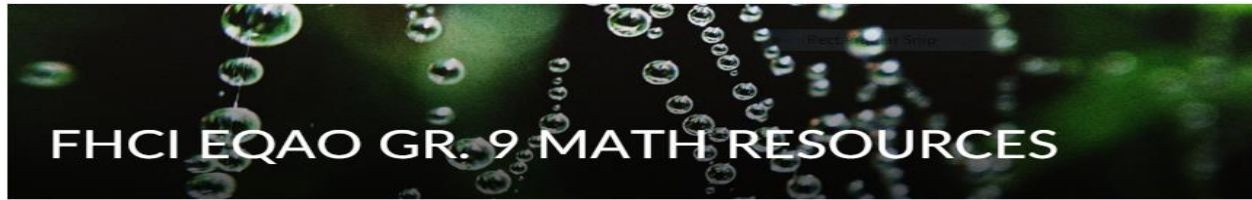

How Do I Access the EQAO resource?

When you log in to D2L you land on your personal My Home page. There are lots of important links and tools on this page.

There are two ways to enter a course from your My Home page.

Click on the Select (nine squares) and click on the name of the course, or, go to My Courses widget and click on the course you want to enter.

EQAO Course

When you enter a course, you land on the Course Home page. You can get back to this page at any time by either clicking the name of the course in the Select a course menu or by clicking the Course Home link.

Click on the Content link to access all learning materials and course work.
